Storm Boy - Paul Owen Lewis 2001-05

The entertaining companion novel to the best-selling *The Sweet Second Life of Darrell Kincaid*. Michelle Lawrence's perfect life has been just as she's designed it. But then her husband, Chad, ruins everything by taking a job in San Francisco, about as far from their comfortable family home as it's possible to get without actually emigrating. Up until now, Chad's

primary focus has been keeping her happy, and Michelle can see no good reason why this should change. But change it has, and Michelle now has to deal with Chad's increasing detachment, while building a new life with her two small children in a place filled with cat-eating coyotes. On top of that, Michelle's oldest friend is turning against marriage while her newest is a little too obsessed with clean taps. And down the

redwood-lined street, there's Aishe Herne, a woman who could pick a fight with a silent order of nuns. Aishe has designed her own kind of perfect life, in which there's room for her, her teenage son and no one else. But when cousin Patrick lands in town like a Cockney nemesis, both Aishe and Michelle must begin determined campaigns to regain their grip on the steering wheel of their lives. Le Tumulte Noir - Jody Blake 1999-01-01
Jody Blake demonstrates in this book that although the impact of African-American music and dance in France was constant from 1900 to 1930, it was not unchanging. This was due in part to the stylistic development and diversity of African-American music and dance, from the prewar cakewalk and ragtime to the postwar Charleston and jazz. Successive groups of

modernists, beginning with the Matisse and Picasso circle in the 1900s and concluding with the Surrealists and Purists in the 1920s, constructed different versions of *la musique* and *la danse negre*. Manifested in creative and critical works, these responses to African-American music and dance reflected the modernists' varying artistic agendas and historical climates.

Illegal - Eoin Colfer 2017-10-05

This is a powerful and timely story about one boy's epic journey across Africa to Europe, a graphic novel for all children with glorious colour artwork throughout. From Eoin Colfer, previously Irish Children's Laureate, and the team behind his bestselling Artemis Fowl graphic novels. Ebo: alone. His sister left months ago. Now his brother has disappeared too, and Ebo knows it can only be to make the hazardous journey to Europe. Ebo's epic journey takes him across the Sahara Desert to the dangerous streets of Tripoli, and finally out to the merciless sea. But with every step he holds on to his hope for a new life, and a reunion with his sister. *Winner of the Judges' Special Award at the Children's Books Ireland Book of the Year

Awards* 'Beautifully realised and punchily told.' Alex O'Connell, The Times Children's Book of the Week 'A powerful, compelling work, evocatively illustrated ... It would take a hard heart not to be moved by this book.' Financial Times

Groundhog's Horse - Joyce Rockwood 1978-03-15

Joyce Rockwood has written vividly and beautifully about the Cherokees before. This warm, amusing novel, which takes place in 1750, shows the same brilliance, but with a lighter touch. It is about Groundhog, a young Cherokee boy, and his horse, Midnight. Midnight is a most unusual horse. So Groundhog tells everyone. But since Midnight is neither a fast runner nor seems remarkable in any other way, everyone in Frogtown laughs at him. One day, Midnight is stolen by the Creeks in a raid on Frogtown. Kingfisher, Groundhog's older brother, is not able to raise a party to raid Rabbit-town, where the Creeks live, and get Midnight back. The Cherokee warriors do not think Midnight is

worth the effort. Offended, Groundhog makes his own plans. At night, when everyone is asleep, he gathers a store of food and steals out of the house. He will get his beloved Midnight back without anyone's help. This is the story of Groundhog's adventures as he makes his way to and from Rabbit-town over enemy terrain and Dismal Places with his new friend, Duck.

Admiring Silence - Abdulrazak Gurnah

2016-12-15

By the winner of the 2021 Nobel Prize in Literature 'There is a wonderful sardonic eloquence to this unnamed narrator's voice' Financial Times 'I don't think I've ever read a novel that is so convincingly and hauntingly sad about the loss of home' Independent on Sunday _____ He thinks, as he escapes from Zanzibar, that he will probably never return, and yet the dream of studying in England matters above that. Things do not happen quite as he imagined - the school where he teaches is cramped and violent, he forgets how it feels to

belong. But there is Emma, beautiful, rebellious Emma, who turns away from her white, middle-class roots to offer him love and bear him a child. And in return he spins stories of his home and keeps her a secret from his family. Twenty years later, when the barriers at last come down in Zanzibar, he is able and compelled to go back. What he discovers there, in a story potent with truth, will change the entire vision of his life.

Mobile Library - David Whitehouse 2015-01-20

From the award-winning novelist David Whitehouse, hailed by The New York Times as “a writer to watch,” a tragicomic adventure about a troubled adolescent boy who escapes his small town in a stolen library-on-wheels. “An archivist of his mother,” Bobby Nusku spends his nights meticulously cataloging her hair, clothing, and other traces of the life she left behind. By day, Bobby and his best friend Sunny hatch a plan to transform Sunny, limb-by-limb, into a cyborg who could keep Bobby safe from schoolyard torment and from Bobby’s abusive father and his

bleach-blonde girlfriend. When Sunny is injured in a freak accident, Bobby is forced to face the world alone. Out in the neighborhood, Bobby encounters Rosa, a peculiar girl whose disability invites the scorn of bullies. When Bobby takes Rosa home, he meets her mother, Val, a lonely divorcee, whose job is cleaning a mobile library. Bobby and Val come to fill the emotional void in each other's lives, but their bond also draws unwanted attention. After Val loses her job and Bobby is beaten by his father, they abscond in the sixteen-wheel bookmobile. On the road they are joined by Joe, a mysterious but kindhearted ex-soldier. This "puzzle of people" will travel across England, a picaresque adventure that comes to rival those in the classic books that fill their library-on-wheels. At once tender, provocative and darkly funny, *Mobile Library* is a fable about the intrinsic human desire to be loved and understood—and about one boy's realization that the kinds of adventures found in books can happen in real life. It is the ingenious

second novel by a writer whose prose has been hailed as "outlandishly clever" (The New York Times) and "deceptively effortless" (The Boston Globe).

The Discovery of Jeanne Baret - Glynis Ridley
2011-12-06

The year was 1765. Eminent botanist Philibert Commerson had just been appointed to a grand new expedition: the first French circumnavigation of the world. As the ships' official naturalist, Commerson would seek out resources—medicines, spices, timber, food—that could give the French an edge in the ever-accelerating race for empire. Jeanne Baret, Commerson's young mistress and collaborator, was desperate not to be left behind. She disguised herself as a teenage boy and signed on as his assistant. The journey made the twenty-six-year-old, known to her shipmates as "Jean" rather than "Jeanne," the first woman to ever sail around the globe. Yet so little is known about this extraordinary woman, whose

accomplishments were considered to be subversive, even impossible for someone of her sex and class. When the ships made landfall and the secret lovers disembarked to explore, Baret carried heavy wooden field presses and bulky optical instruments over beaches and hills, impressing observers on the ships' decks with her obvious strength and stamina. Less obvious were the strips of linen wound tight around her upper body and the months she had spent perfecting her masculine disguise in the streets and marketplaces of Paris. Expedition commander Louis-Antoine de Bougainville recorded in his journal that curious Tahitian natives exposed Baret as a woman, eighteen months into the voyage. But the true story, it turns out, is more complicated. In *The Discovery of Jeanne Baret*, Glynis Ridley unravels the conflicting accounts recorded by Baret's crewmates to piece together the real story: how Baret's identity was in fact widely suspected within just a couple of weeks of embarking, and

the painful consequences of those suspicions; the newly discovered notebook, written in Baret's own hand, that proves her scientific acumen; and the thousands of specimens she collected, most famously the showy vine bougainvillea. Ridley also richly explores Baret's awkward, sometimes dangerous interactions with the men on the ship, including Baret's lover, the obsessive and sometimes prickly naturalist; a fashion-plate prince who, with his elaborate wigs and velvet garments, was often mistaken for a woman himself; the sour ship's surgeon, who despised Baret and Commerson; even a Tahitian islander who joined the expedition and asked Baret to show him how to behave like a Frenchman. But the central character of this true story is Jeanne Baret herself, a working-class woman whose scientific contributions were quietly dismissed and written out of history—until now. Anchored in impeccable original research and bursting with unforgettable characters and exotic settings,

The Discovery of Jeanne Baret offers this forgotten heroine a chance to bloom at long last.

Les Fourberies de Scapin - Molière 1877

The Art of Ballet - Mark Edward Perugini 1915
Featuring detailed illustrations, The Art of Ballet teaches readers about the history of ballet in Italy. While most think of Russia when they think of ballet, Italy has a long history with the art. It is actually believed that the earliest predecessor of classical ballet was practiced in the courts of Italy during the Renaissance before the performances became popular in France. This ballet was very different from the dancing we see today. Tutus, ballet slippers and

dancing en pointe was not yet popular. Instead, the dance steps were altered from those practiced in traditional ballroom settings.

Shadow - Michael Morpurgo 2014-12-23

Author of War Horse, and bestselling storyteller Michael Morpurgo touched our hearts with this beautiful story of a boy, his lost dog, and the lengths he would go to be reunited. This timely story of battle-scarred Afghanistan delivers a masterful portrait of war, love, and friendship. With the horrors of war bearing down on them, Aman and his mother are barely surviving in an Afghan cave, and staying there any longer will end horribly. The only comfort Aman has is Shadow, the loyal spaniel that shows up from places unknown, it seems, just when Aman needs him most. Aman, his mother, and Shadow finally leave the destroyed cave in hopes of escaping to England, but are held at a checkpoint, and Shadow runs away after being shot at by the police. Aman and his mother escape--without Shadow. Aman is heart-broken.

Just as they are getting settled as free citizens in England, they are imprisoned in a camp with locked doors and a barbed wire fence. Their only hope is Aman's classmate Matt, his grandpa, and the dream of finding his lost dog. After all, you never lose your shadow.

Anthropology of Color - Robert E. MacLaury
2007-11-21

The field of color categorization has always been intrinsically multi- and inter-disciplinary, since its beginnings in the nineteenth century. The main contribution of this book is to foster a new level of integration among different approaches to the anthropological study of color. The editors have put great effort into bringing together research from anthropology, linguistics,

psychology, semiotics, and a variety of other fields, by promoting the exploration of the different but interacting and complementary ways in which these various perspectives model the domain of color experience. By so doing, they significantly promote the emergence of a coherent field of the anthropology of color. As of February 2018, this e-book is freely available, thanks to the support of libraries working with Knowledge Unlatched.

Memoirs of an Arabian Princess, an Autobiography - Emilie Ruete 1888

The Wild Girl - Jim Fergus 2005-05-04

From the award-winning author of *One Thousand White Women*, a novel in the tradition of *Little Big Man*, tracing one man's search for adventure and the wild Apache girl who invites him into her world When Ned Giles is orphaned as a teenager, he heads West, hoping to leave his troubles behind. He joins the 1932 Great Apache Expedition on their search for a young

boy, the son of a wealthy Mexican landowner, who was kidnapped by wild Apaches. But the expedition's goal is complicated when they encounter a wild Apache girl in a Mexican jail cell, victim of a Mexican massacre of her tribe that has left her orphaned and unwilling to eat or speak. As he and the expedition make their way through the rugged Sierra Madre mountains, Ned's growing feelings for the troubled girl soon force him to choose allegiances and make a decision that will haunt him forever. In this novel based on historical fact, Jim Fergus takes readers on a journey of magnificent sweep and heartbreaking consequence peopled with unforgettable characters. With prose so vivid that the road dust practically rises off the page, *The Wild Girl* is an epic novel filled with drama, peril, and romance, told by a master. This is the novel your reading group will be talking about long past your discussion!

Journey to Jo'burg - Beverley Naidoo

2020-02-11

“Has no equal. Evocative and haunting.” (School Library Journal starred review) The bestselling classic set in South Africa during the apartheid era, in which two siblings must face the dangers of their divided country. Mma lives and works in Johannesburg, far from the village thirteen-year-old Naledi and her younger brother, Tiro, call home. When their baby sister suddenly becomes very sick, Naledi and Tiro know that they need to bring their mother back in order to save their sister’s life. Bravely, secretly, they set off on the long journey to the big city to find Mma. It isn’t until they finally reach Jo’burg that they see up close what life is like for black citizens across South Africa—and begin to really question the unfair and dangerous laws of apartheid. A classic look at prejudice and racism in apartheid South Africa, this short and compelling novel is perfect for independent reading projects and classroom sharing.

One Thousand White Women - Jim Fergus

2010-04-01

Based on an actual historical event but told through fictional diaries, this is the story of May Dodd—a remarkable woman who, in 1875, travels through the American West to marry the chief of the Cheyenne Nation. *One Thousand White Women* begins with May Dodd’s journey into an unknown world. Having been committed to an insane asylum by her blue-blood family for the crime of loving a man beneath her station, May finds that her only hope for freedom and redemption is to participate in a secret government program whereby women from “civilized” society become the brides of Cheyenne warriors. What follows is a series of breathtaking adventures—May’s brief, passionate romance with the gallant young army captain John Bourke; her marriage to the great chief Little Wolf; and her conflict of being caught between loving two men and living two completely different lives. “Fergus portrays the perceptions and emotions of women...with

tremendous insight and sensitivity.”—Booklist “A superb tale of sorrow, suspense, exultation, and triumph.” —Winston Groom, author of *Forrest Gump*

The Mapmaker's Wife - Robert Whitaker
2008-11-05

In the early years of the 18th century, a band of French scientists set off on a daring, decade-long expedition to South America in a race to measure the precise shape of the earth. Like Lewis and Clark's exploration of the American West, their incredible mission revealed the mysteries of a little-known continent to a world hungry for discovery. Scaling 16,000foot

mountains in the Peruvian Andes, and braving jaguars, pumas, insects, and vampire bats in the jungle, the scientists barely completed their mission. One was murdered, another perished from fever, and a third-Jean Godin-nearly died of heartbreak. At the expedition's end, Jean and his Peruvian wife, Isabel Gramesón, became stranded at opposite ends of the Amazon, victims of a tangled web of international politics. Isabel's solo journey to reunite with Jean after their calamitous twenty-year separation was so dramatic that it left all of 18th-century Europe spellbound. Her survival-unprecedented in the annals of Amazon exploration-was a testament to human endurance, female resourcefulness, and the power of devotion.Drawing on the original writings of the French mapmakers, as well as his own experience retracing Isabel's journey, acclaimed writer Robert Whitaker weaves a riveting tale rich in adventure, intrigue, and scientific achievement. Never before told, *The Mapmaker's Wife* is an epic love story that

unfolds against the backdrop of "the greatest expedition the world has ever known."

Rock - Anyta Sunday 2014-09-30

Igneous. When Cooper's parents divorce, he finds himself landed in Week About-one week with his mum and one week with his dad. Only, it's not just his dad he has to live with. There's Lila, too: The other woman, the one who stole the rock-solid foundation of his life. And then . . . There's Jace. Lila's son. Lila's smug, regurgitated-fish-scale-blue eyed son. All Cooper wants is to have his family back the way it once was, but there's something about this boy that promises things will never be the same again. Sedimentary. Resisting the realities of his new life, Cooper and Jace get off to a rocky start. But rocky start or not, after hundreds of shared memories together, they forge something new. A close . . . friendship. Because friendship is all they can have. Although it's not like they are real brothers. . . Metamorphic. But how does that friendship evolve under the pressures of life?

Under pressures of the heart?

An Illustrated Book of Bad Arguments - Ali Almassawi 2014-09-23

"A flawless compendium of flaws." —Alice Roberts, PhD, anatomist, writer, and presenter of The Incredible Human Journey The antidote to fuzzy thinking, with furry animals! Have you read (or stumbled into) one too many irrational online debates? Ali Almassawi certainly had, so he wrote An Illustrated Book of Bad Arguments! This handy guide is here to bring the internet age a much-needed dose of old-school logic (really old-school, a la Aristotle). Here are cogent explanations of the straw man fallacy, the slippery slope argument, the ad hominem attack, and other common attempts at reasoning that actually fall short—plus a beautifully drawn menagerie of animals who (adorably) commit every logical faux pas. Rabbit thinks a strange light in the sky must be a UFO because no one can prove otherwise (the appeal to ignorance). And Lion doesn't believe that gas emissions

harm the planet because, if that were true, he wouldn't like the result (the argument from consequences). Once you learn to recognize these abuses of reason, they start to crop up everywhere from congressional debate to YouTube comments—which makes this geek-chic book a must for anyone in the habit of holding opinions.

Toward a Native American Critical Theory - Elvira Pulitano 2003-01-01

"Unlike Western interpretations of Native American literatures and cultures in which external critical methodologies are imposed on

Native texts, ultimately silencing the primary voices of the texts themselves, Pulitano's work examines critical material generated from within the Native contexts to propose a different approach to Native literature. Pulitano argues that the distinctiveness of Native American critical theory can be found in its aggressive blending and reimagining of oral tradition and Native epistemologies on the written page - a powerful, complex mediation that can stand on its own yet effectively subsume and transform non-Native critical theoretical strategies."--

Captain Rosalie - Timothee de Fombelle
2019-06-11

Timothée de Fombelle and Isabelle Arsenault capture the heart-wrenching cost of war for one small girl in a delicately drawn, expertly told tale. While her father is at war, five-year-old Rosalie is a captain on her own secret mission. She wears the disguise of a little girl and tracks her progress in a secret notebook. Some evenings, Rosalie's mother reads aloud Father's letters from the front lines, so that Rosalie

knows he is thinking of her and looking forward to the end of the war and to finally coming home. But one day a letter comes that her mother doesn't read to her, and Rosalie knows her mission must soon come to an end. Author Timothée de Fombelle reveals the true consequence of war through the experiences of small, determined Rosalie, while acclaimed artist Isabelle Arsenault illustrates Rosalie's story in muted grays marked with soft spots of color -- the orange flame of Rosalie's hair, the pale pink of a scarf, the deep blue ink of her father's letters. All the more captivating for the simplicity with which it is drawn and told, this quiet tale will stay with the reader long after its last page is turned.
