Wiley CPAexcel Exam Review 2021 Study Guide + Question Pack - Wiley 2020-11-03

Marissa Mayer and the Fight to Save Yahoo! - Nicholas Carlson 2015-01-06

A page-turning narrative about Marissa Mayer's efforts to remake Yahoo as well as her own rise from Stanford University undergrad to CEO of a \$30 billion corporation by the age of 38. When Yahoo hired star Google executive Mayer to be its CEO in 2012 employees rejoiced. They put posters on the walls throughout Yahoo's California headquarters. On them there was Mayer's face and one word: HOPE. But one year later, Mayer sat in front of those same employees in a huge cafeteria on Yahoo's campus and took the beating of her life. Her hair wet and her tone defensive, Mayer read and answered a series of employee-posed questions challenging the basic elements of her plan. There was anger in the room and, behind it, a question: Was Mayer actually going to be able to do this thing? **MARISSA MAYER AND THE FIGHT TO SAVE YAHOO!** is the inside story of how Yahoo got into such awful shape in the first place, Marissa Mayer's controversial rise at Google, and her desperate fight to save an Internet icon. In August 2011 hedge fund billionaire Daniel Loeb took a long look at Yahoo and decided to go to war with its management and board of directors. Loeb then bought a 5% stake and began a shareholder activist campaign that would cost the jobs of three CEOs before he finally settled on Google's golden girl Mayer to unlock the value lurking in the company. As Mayer began to remake Yahoo from a content company to a tech company, an internal civil war erupted. In author Nicholas Carlson's capable hands, this riveting book captures Mayer's rise and Yahoo's missteps as a dramatic illustration of what it takes to grab the brass ring in Silicon Valley. And it reveals whether it is

possible for a big lumbering tech company to stay relevant in today's rapidly changing business landscape.

CPA Firm Mergers and Acquisitions - Joel L. Sinkin 2016-11-07

Chances are you're looking to buy, sell, or merge your CPA firm. Owners at firms of all sizes are seeking solutions to fund retirements or grow their practices. And, CPA firm M&A activity is only going to increase in the coming years—new deals are announced almost daily. Fortunately, there are steps you can take right now to position you and your firm for success. Written with both buyers and sellers in mind, this comprehensive resource aims to ensure that both parties to a transaction achieve their goals. Authors and transition experts Joel Sinkin and Terrence Putney demonstrate that it is possible to arrive at a reasonable deal where retiring partners are paid a satisfying price for the practice they've built, remaining partners make more than they did before, and new owners take on a practice that is poised for continuing success and potential growth. Sinkin and Putney share their best advice on how to: Determine your firm's value, Get to know your potential partner in a deal, Select a successor your clients will love, Structure alternative deals, Avoid roadblocks, Prepare a practice continuation agreement, Perform due diligence, Execute a win-win deal, and Time and plan for your transition. Each chapter concludes with an Action Agenda to help spur your planning. Plus, it includes a collection of practical tools to assist you through the process of buying, selling, or merging, including practice summary tools, an annual succession planning checklist, sample practice continuation agreement, sample client announcements, due diligence tools, and sample transition letters.

Tax-Free Wealth - Tom Wheelwright 2013-02-28

Tax-Free Wealth is about tax planning concepts. It's about how to use your country's tax laws to your benefit. In this book, Tom Wheelwright will tell you how the tax laws work. And how they are designed to reduce your taxes, not to increase your taxes. Once you understand this basic principle, you no longer need to be afraid of the tax laws. They are there to help you and your business—not to hinder you. Once you understand the basic principles of tax reduction, you can begin, immediately, reducing your taxes. Eventually, you may even be able to legally eliminate your income taxes and drastically reduce your other taxes. Once you do that, you can live a life of Tax-Free Wealth.

A Brief History of Economic Genius - Paul Strathern 2004-01

Strathern brings the reader along in a lively, breezy and elegant manner, through Adam Smith and Hume; the French Optimists and British Pessimists: Saint-Simon and Owen; Marx and Hegel; Pareto; Veblen; Schumpeter, Keynes, John Nash and finally fullcircle back to von Neumann. Strathern uncovers the genuine progression of the development of mathematics and economic theory, from double-entry bookkeeping to the discovery of standard deviation and the various applications of probability theory. These brilliant economists and mathematicians often were aware of each other, had met each other or read each other's work thereby influencing and building upon one another's conclusions. Strathern manages his broad swath of historical information and condenses it into a very usable, readable and informative format.

The 15 Invaluable Laws of Growth - John C. Maxwell 2012-10-02

In this inspiring guide to successful leadership, New York Times bestselling author John C. Maxwell shares his tried and true principles for maximum personal growth. Are there tried and true principles that are always certain to help a person grow? John Maxwell says the answer is yes. He has been passionate about personal development for over fifty years, and for the first time, he teaches everything he has gleaned about what it takes to reach our potential. In the way that only he can communicate, John teaches . . . The Law of the Mirror: You Must See Value in Yourself to Add Value to Yourself The Law of Awareness: You Must Know Yourself to Grow Yourself The Law of Modeling: It's Hard to Improve When You Have No One But Yourself to Follow The Law of the Rubber Band: Growth Stops When You Lose the Tension Between Where You are and Where You Could Be The Law of Contribution: Developing Yourself Enables You to Develop Others This third book in John Maxwell's Laws series (following the 2-million seller The 21 Irrefutable Laws of Leadership and The 17 Indisputable Laws of Teamwork) will help you become a lifelong learner whose potential keeps increasing and never gets "used up."

Jj the CPA Here! - Joshua Jenson Cpa 2020-08-22

JJ THE CPA HERE! Learn how to gain massive referrals for any business by first mastering the art of this with the Certified Public Accountant... the CPA. Referrals do what? Put easy money in your pocket, am I right? Of course I am or you wouldn't still be reading this. Hey, guess what? I am THE CPA and in this book I am going to let you enter my mind so you can unlock the sequence of receiving any referral and become a master at CRACKING THE REFERRAL CODE. Question for you: Want to make a living over your career or millions? Yes? Good! I won't let you down. Stay with me... True or false? If you learn to CRACK THE CPA CODE, and gain referrals from the CPA, then you can gain referrals from anyone? TRUE! You bet your bottom dollar that's true. Follow me here, and see if you agree... The CPA is the hardest nut to crack to get referrals from? If you agree that means you are very successful because you've experienced it. I am going to throw this down though. If you don't have a referring relationship with a CPA, no way you are as successful as you could be with the CPA actually in your corner. Let me put my money where my mouth is and tell you my practice is literally worth over \$10 million in referrals, and I am small CPA firm. Let's get down to brass tax. Through this process of you learning to CRACK THE CPA CODE, you will not only learn how to successfully gain referrals from one of the most revered professionals in the business world, you will become a magnet to other professionals you wish to do business with because.... you will be known as trusted professional by the CPA. Know why that is key? That leads to you being seen as a trusted adviser as well. How? Why? Let's think on this. You being trusted by the CPA sends the flare-up to all your allies, competitors and peers, that you are someone who is trustworthy! And you know this. What does anyone require of you, to refer their clients to you? My late Grandfather told me this. Trust! Someone must trust you before they refer anyone or anything your way. Why? When you receive a referral you now represent, in part, the person that sent you the referral. If you are known, which you will be after reading my book, as being a trusted professional by the CPA, you will have achieved what many of your peers and competitors never have which is being welcomed aboard the battleship with the CPA; the most trusted professional in the world. Want an easy combination to remember? WWWWWH. Here is another, ABC, 1-2-3, KISS. Follow the dots on the road map I share with you, and I will lead you to the promise land. Remember, what I told you in the beginning that you are going to hear what is going on inside the CPA's head, so you are going to gain some unfair advantages with your opponent as I also reveal the warning signs to look for and dangers to remove to ensure your sweet deal closes. Know what "professional skepticism is?" Know why CPAs can come across awkward? Know how to

learn from deflectors like sarcasm and turn that into an ace in your pocket? Well, I am giving you the playbook on knowing what to look for and more importantly what to expect so that you will move smoothly through unlocking millions for you and your company, and CRACKING THE CPA CODE. Buckle up my friend! THANK YOU FOR READING the description of my book. I also hold workshops to walk you through your specific land mine, to CRACK THE REFERRING CODE with your specific industry and business. Giddy up! Just visit my website www.JJtheCPA.com. Thank you! -JJ

Accounting and Valuation Guide - AICPA 2019-09-16

Developed for preparers of financial statements, independent auditors, and valuation specialists, this guide provides nonauthoritative guidance and illustrations regarding the accounting for and valuation of portfolio company investments held by investment companies within the scope of FASB ASC 946, Financial Services —Investment Companies, (including private equity funds, venture capital funds, hedge funds, and business development companies). It features 16 case studies that can be used to reason through real situations faced by investment fund managers, valuation specialists and auditors, this guide addresses many accounting and valuation issues that have emerged over time to assist investment companies in addressing the challenges in estimating fair value of these investments, such as: Unit of account Transaction costs Calibration The impact of control and marketability Backtesting

At the Crossroads - Gale Crosley 2011-01-11

If you'd like to know how to change your underachieving firm, *At The Crossroads: The Remarkable CPA Firm That Nearly Crashed, Then Soared* may hold the key to a bright new future. This innovative book is told in story form, drawing the reader behind the scenes of a dysfunctional team that applies Crosley's Practice Growth Model to overcome the defects to produce a highly functional team.

Guide for Prospective Financial Information, with Conforming Changes as of ... - American Institute of Certified Public Accountants. Financial Forecasts and Projections Task Force 2003

Financial Residency - Ryan Inman 2020-04-02

This book is everything you need to plan for your financial future and avoid paying tens of thousands of dollars to a financial advisor. A financial plan will guide you during good and bad times, ups and downs of the market, job changes, and financial setbacks. Creating a financial plan is not all about money, budgeting, and investing. It's about enabling you to live the life you truly want. As you progress through your career in medicine, you have never been taught how to prepare for a healthy financial future, leaving you vulnerable to being sold products you don't need or working so hard that you experience burnout. Physicians are the smartest people on the planet when it comes to medicine, so why not finances too? Let's change the dynamic between money and medicine and help you live your ideal life.

Reporting on an Examination of Controls at a Service Organization Relevant to User Entities' Internal Control Over Financial Reporting (SOC 1) - AICPA 2017-05-08

This updated and improved guide is designed to help accountants effectively perform SOC 1® engagements under AT-C section 320, Reporting on an Examination of Controls at a Service Organization Relevant to User Entities' Internal Control Over Financial Reporting, of Statement on Standards for Attestation Engagements (SSAE) No. 18, Attestation Standards: Clarification and Recodification. With the growth in business specialization, outsourcing tasks and functions to service organizations has become increasingly popular, increasing the demand for SOC 1 engagements. This guide will help: Gain a deeper understanding of the requirements and guidance in AT-C section 320 for performing SOC 1 engagements. Obtain guidance from top CPAs on how to implement AT-C section 320 and address common and practice issues. Provide best in class services related to planning, performing, and reporting on a SOC 1 engagement. Successfully implement changes in AT-C section 320 arising from the issuance of SSAE 18, which is effective for reports dated on or after May 1, 2017. Determine how to describe the matter giving rise to a modified opinion by providing over 20 illustrative paragraphs for different situations. Understand the kinds of information auditors of the financial statements of user entities need from a service auditor's report. Implement the requirement in SSAE No. 18 to obtain a written assertion from management of the service organization. Organize and draft relevant sections of a type 2 report by providing complete illustrative type 2 reports that include the service auditor's report, management's assertion, the description of the service organization's system, and the service auditor's description of tests of controls and

results. Develop management representation letters for SOC 1 engagements.

Improv Is No Joke - Peter A. Margaritis 2015-04-09

Improve your life, where everything's not made up and the points do matter. Drew Carey's show *Whose Line Is It Anyway?* has turned improvisational comedy into a pop culture phenomenon. But improv is more than just laughs—it's a valuable training tool that will make you a more effective business professional. Inside, you will discover how to: \checkmark Replace negative phrases like "Yes, but..." with successful terms like "Yes, and..." \checkmark Park your agenda and really hear your client out. By listening to understand, you can adapt to their ideas and produce a more positive outcome. \checkmark Grow your client relationships beyond the numbers to build rapport, comfort, and trust. *Improv is no Joke* is must-read for accountants, bankers, and other financial professionals to sharpen the invaluable leadership and communication skills you need to successfully relate to clients and communicate complex information in a user-friendly way. "Peter is the first CPA speaker who actually made me laugh. Who knew accountants could be funny AND inspiring? Now, if I could just get my taxes to not be a joke!" —Judy Carter, author of *The Comedy Bible* and *The Message of You*

Lifestyle Builders - Tom Sylvester 2019-09-17

A how-to guide for preparing your personal life for entrepreneurship—from a successful couple who has been there. Most people have two lives: the one that they are living and the one that they want to live. Today, there is more opportunity than ever for anyone to create their ideal life through entrepreneurship. After overcoming the obstacles of building three businesses with one spouse still in a 9-5 job and working together as a married couple while raising two young kids, Tom and Ariana Sylvester have cracked the code and developed a framework on how to successfully do business and life—together. In *Lifestyle Builders*, Tom and Ariana guide current and aspiring entrepreneurs through the major aspects of making it happen with a simple step-by-step process, including getting clear on what the ideal life looks like, mapping out personal and business financials, and teaching readers how to organize and run their business to support their ideal lifestyle. *Lifestyle Builders* shows those seeking the entrepreneurial lifestyle how to unlock the secrets to making the ideal life a reality, even those who are busy and seriously lacking time and money. It's time to join the movement of *Lifestyle Builders* today!

Government auditing standards guidance on GAGAS requirements for continuing professional education : by the Comptroller General of the United States. -

Investment Banking - Joshua Rosenbaum 2020-03-20

A timely update to the global best-selling book on investment banking and valuation In the constantly evolving world of finance, a solid technical foundation is an essential tool for success. Due to the fast-paced nature of this world, however, no one was able to take the time to properly codify its lifeblood—namely, valuation and dealmaking. Rosenbaum and Pearl originally responded to this need in 2009 by writing the first edition of the book that they wish had existed when they were trying to break into Wall Street. *Investment Banking: Valuation, LBOs, M&A, and IPOs, Third Edition* is a highly accessible and authoritative book written by investment bankers that explains how to perform the valuation work and financial analysis at the core of Wall Street—comparable companies, precedent transactions, DCF, LBO, M&A

analysis . . . and now IPO analytics and valuation. Using a step-by-step, how-to approach for each methodology, the authors build a chronological knowledge base and define key terms, financial concepts, and processes throughout the book. The genesis for the original book stemmed from the authors' personal experiences as students interviewing for investment banking positions. As they both independently went through the rigorous process, they realized that their classroom experiences were a step removed from how valuation and financial analysis were performed in real-world situations. Consequently, they created this book to provide a leg up to those individuals seeking or beginning careers on Wall Street—from students at undergraduate universities and graduate schools to "career changers" looking to break into finance. Now, over 10 years after the release of the first edition, the book is more relevant and topical than ever. It is used in over 200 universities globally and has become a go-to resource for investment banks, private equity, investment firms, and corporations undertaking M&A transactions, LBOs, IPOs, restructurings, and investment decisions. As the world of finance adjusts to the new normal of the post-Great Recession era, it merits revisiting the pillars of the second edition for today's environment. While the fundamentals haven't changed, the environment must adapt to changing market developments and conditions. As a result, Rosenbaum and Pearl have updated their widely adopted book accordingly, while adding two new chapters on IPOs.

The Go-Giver - Bob Burg 2007-12-27

A new edition with expanded content is available now, "The Go-Giver, Expanded Edition: A Little Story About a Powerful Business Idea" An engaging book that brings new relevance to the old proverb "Give and you shall receive" The Go-Giver tells the story of an ambitious young man named Joe who yearns for success. Joe is a true go-getter, though sometimes he feels as if the harder and faster he works, the further away his goals seem to be. And so one day, desperate to land a key sale at the end of a bad quarter, he seeks advice from the enigmatic Pindar, a legendary consultant referred to by his many devotees simply as the Chairman. Over the next week, Pindar introduces Joe to a series of "go-givers:" a restaurateur, a CEO, a financial adviser, a real estate broker, and the "Connector," who brought them all together. Pindar's friends share with Joe the Five Laws of Stratospheric Success and teach him how to open himself up to the power of giving. Joe learns that changing his focus from getting to giving—putting others' interests first and continually adding value to their lives—ultimately leads to unexpected returns. Imparted with wit and grace, *The Go-Giver* is a heartwarming and inspiring tale that brings new relevance to the old proverb "Give and you shall receive." From the Hardcover edition.

Federal Income Tax - Martin B. Dickinson 2017-06-19

CCH's *Federal Income Tax: Code and Regulations--Selected Sections* provides a selection of the Internal Revenue Code and Treasury Regulations pertaining to income tax. This popular volume reflects the collective judgment of seven distinguished tax teachers and provides an effective mix of official materials for individual and business undergraduate and graduate tax courses offered in law and business schools. It provides in one volume, the provisions most commonly addressed in income tax courses. The book's highly readable 7-1/2" x 10" oversized page format make it easier to read for both professor and student. The book is an attractive alternative to the full text of the multi-volume Internal Revenue Code and Income Tax Regulations. Special features of this volume include:- Convenient shortcut table for computation of corporation income taxes- All Code sections that are indexed for inflation are flagged and cross-referenced to material providing the CPI-adjusted numbers for 2014- Many Regulations sections that have not been updated by the Treasury to reflect later legislation are flagged - Every Code section page carries a footer indicating the specific Code subsection carried on the page--for example, Sec. 271(e)- Every Regulations section page carries a footer indicating the specific Regulation subparagraph carried on the page--for example, Reg. Sec. 1.706-1(c)(3) The 2016-2017 Edition is completely revised to reflect all legislation and regulations enacted or adopted on or before June 1, 2016 and other significant developments that took place throughout the year. It is edited by Martin B. Dickinson, the Robert A. Schroeder Professor of Law at the University of Kansas, and it reflects the tradition of CCH accuracy and completeness. Copies will be published and shipped to arrive at school bookstores and adopters by early August 2016.

Intermediate Accounting - Loren A. Nikolai 2003-01-01

In balancing conceptual and procedural intermediate financial accounting material, the ninth edition of this text offers students a strong foundation on which to build an understanding of today's accounting

information needs. With up-to-date content reflecting the recent FASB changes, this text will assist students in gaining a clear understanding of the topics key to success in both their careers as professional accountants and their goal of passing the CPA examination.

What Your CPA Isn't Telling You: Life-changing Tax Strategies - Mark J. Kohler 2011-02-23

This is a powerful story woven around one theme—TAX PLANNING CAN CHANGE YOUR LIFE Tackling the fundamental question asked by all taxpayers - How can I save on taxes? — attorney and CPA Mark J. Kohler empowers you to dismiss standard CPA viewpoints like your tax payment is what it is and you just make too much money. Simplified through the mastery of storytelling, Kohler invites you to immerse yourself in the compelling tale of a typical family's tax awakening. Through their journey, you'll discover critical, but underutilized tax strategies to achieve huge tax savings, greater wealth, and, ultimately, a winning pursuit of the American Dream. "Mark brought tax planning to life in a story line we can all relate to personally!" Lori Mackey, award-winning author, CEO of Prosperity4Kids, Inc. "It is about time someone brought the benefits of tax planning to the masses. That is what Mark has achieved in this book." Dermot Berkery, author of Raising Capital for the Serious Entrepreneur "If you are not happy with your current CPA relationship, and aren't in love with your generic tax planning software, and wonder if there are better options out there. . .you need to read this book!" Tim Higgins, author of Paying For College Without Sacrificing Your Retirement "FINALLY, a tax book that I can not only understand but relate to and actually learn from. I never thought it was possible, however Mark Kohler did it - he made learning about taxes fun." Starr Hall, www.StarrHall.com, international author, speaker "This book changed the way I saw my taxes and my financial future." Woody Woodward, filmmaker, author, success Strategist Includes Tax Planning Resource Kit—Access templates, checklists, charts, and videos for additional support!

Intermediate Accounting Update - Loren A. Nikolai 2009-10-07
INTERMEDIATE ACCOUNTING, Eleventh Edition, provides the perfect combination of professional language and vibrant pedagogy to facilitate the transition from financial principles to the larger environment of financial reporting. To prepare students for professional accounting careers, the text's comprehensive coverage of GAAP and discussion of IFRS is clearly and consistently presented throughout the text. This coverage complements the authors' insight, which is in both the in-text commentary and the fully coordinated, author-written end-of-chapter material. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

AICPA Professional Standards as of June 1, 2004 - American Institute of Certified Public Accountants 2004

Confessions of a CPA - Bryan S. Bloom 2013-12-30

A question I get almost every day is: "why isn't everyone implementing the principles in this book?" The answer to that question is that everyone who understands these financial truths is implementing them. If you carefully read and absorb the financial principles of life insurance uncovered in this book, you will understand as well. There is a finite amount of knowledge that humans know about the universe. All of this known information falls into three categories: First, there is a certain amount of information that we know and that we are aware that we know. We could say that we are "consciously competent" of this information. Second, there is a large amount of information that we know nothing about. We know that there are certain fields or concepts "out there," but we really don't know anything about them. We might say that we are "consciously incompetent" of this information. The third category of knowledge represents information we don't know, and we're not even aware that we don't know it. We are "unconsciously incompetent" in these areas. It doesn't mean that the information doesn't exist; it just means that we are currently unaware of its existence. As a result, this information currently sits in our "blind spots." Just like in our cars, there are some things we don't see that others do. But if we just turn our head 20 degrees, we will see things we have never seen before. This book will help you to turn your head 20 degrees and to discover something wonderful that you have never seen before. Victor Hugo (author of Les Misérables) once said: "all the forces in the world are not so powerful as an idea whose time has come."

Confessions of a Cpa - Bryan S. Bloom 2011-12-23

Add Value. Be Uncommon. - Mike Gingerich 2016-09-12

This is a personal reflection journal with guided chapter introductions

sharing wisdom from the author, Mike Gingerich. Each chapter in the journal offers a thought to help encourage you to live a life that adds value and is uncommon. Written as a gift from a father to his children, the journal has value for anyone seeking to live a life of value and who wants to live beyond mediocrity by taking time to journal and reflect on their life. Putting your thoughts down in written form, via sketches, or even drawings is a key way to help you integrate and process your thoughts and experiences. Be inspired, be encouraged, and capture your thoughts and reflections to help you grasp what is truly important in life and how you can best focus your daily efforts and attitude. Proceeds from each journal purchase will go to the author's non-profit, iGive Global, which seeks to empower those with great potential but limited resources around the world in places of great need.

C.P.A. Examination Questions - Wisconsin. State Board of Accountancy 1914

Statements on Standards for Accounting and Review Services - AICPA 2016-11-07

The Accounting and Review Services Committee (ARSC) has issued Statement on Standards for Accounting and Review Services No. 21, Statements on Standards for Accounting and Review Services: Clarification and Recodification. The issuance of SSARS No. 21 represents a major milestone in the ARSC's project to clarify and revise the standards for reviews, compilations, and engagements to prepare financial statements. To assist readers to easily locate information, a detailed table of contents is provided at the beginning of the SSARS. This statement recodifies and supersedes all outstanding SSARSs through No. 20, except SSARS No. 14, Compilation of Pro Forma Financial Information. SSARS No. 21 is effective for reviews, compilations, and engagements to prepare financial statements for periods ending on or after December 15, 2015 but early implementation is permitted. This statement is a standalone SSARS and is not a codification of all clarified SSARSs. This statement has been codified in AICPA Professional Standards, which contains a complete codification of Statements on Standards for Accounting and Review Services. Practitioners are advised to use the codified version of this SSARS as they prepare to evaluate and update their methodologies, and prepare for changes precipitated by the clarity project.

A White-Collar Profession - Theresa A. Hammond 2003-01-14

Among the major professions, certified public accountancy has the most severe underrepresentation of African Americans: less than 1 percent of CPAs are black. Theresa Hammond explores the history behind this statistic and chronicles the courage and determination of African Americans who sought to enter the field. In the process, she expands our understanding of the links between race, education, and economics. Drawing on interviews with pioneering black CPAs, among other sources, Hammond sets the stories of black CPAs against the backdrop of the rise of accountancy as a profession, the particular challenges that African Americans trying to enter the field faced, and the strategies that enabled some blacks to become CPAs. Prior to the 1960s, few white-owned accounting firms employed African Americans. Only through nationwide networks established by the first black CPAs did more African Americans gain the requisite professional experience. The civil rights era saw some progress in integrating the field, and black colleges responded by expanding their programs in business and accounting. In the 1980s, however, the backlash against affirmative action heralded the decline of African American participation in accountancy and paved the way for the astonishing lack of diversity that characterizes the field today.

Understanding Business Valuation - Gary R. Trugman 2008

Half Sick of Shadows - Laura Sebastian 2021-07-06

"Laura Sebastian is the next Madeline Miller. . . . a fierce, fresh, lyrical tale that will enthrall until the last page."--Kate Quinn, New York Times bestselling author of The Huntress A Popsugar Best Summer Read of 2021 A Bibliolifestyle Most Anticipated Summer 2021 Sci-fi and Fantasy Book "Magical, haunting, unique--I haven't been so excited about an Arthur book since I read The Once and Future King ."--Tamora Pierce, #1 New York Times bestselling author The Lady of Shalott reclaims her story in this bold feminist reimagining of the Arthurian myth from the New York Times bestselling author of Ash Princess. Everyone knows the legend. Of Arthur, destined to be a king. Of the beautiful Guinevere, who will betray him with his most loyal knight, Lancelot. Of the bitter sorceress, Morgana, who will turn against them all. But Elaine alone carries the burden of knowing what is to come--for Elaine of Shalott is cursed to see the future. On the mystical isle of Avalon, Elaine runs free

and learns of the ancient prophecies surrounding her and her friends--countless possibilities, almost all of them tragic. When their future comes to claim them, Elaine, Guinevere, Lancelot, and Morgana accompany Arthur to take his throne in stifling Camelot, where magic is outlawed, the rules of society chain them, and enemies are everywhere. Yet the most dangerous threats may come from within their own circle. As visions are fulfilled and an inevitable fate closes in, Elaine must decide how far she will go to change destiny--and what she is willing to sacrifice along the way.

Intermediate Accounting (Book Only) - Loren A. Nikolai 2009-01-07
INTERMEDIATE ACCOUNTING, Eleventh Edition, provides the perfect combination of professional language and vibrant pedagogy to facilitate the transition from financial principles to the larger environment of financial reporting. To prepare students for professional accounting careers, the text's comprehensive coverage of GAAP and discussion of IFRS is clearly and consistently presented throughout the text. This coverage complements the authors' insight, which is in both the in-text commentary and the fully coordinated, author-written end-of-chapter material. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.
Auditing and Attestation - Nathan M Bisk, JD, CPA 2003-10-01

The Heart and Other Monsters - Rose Andersen 2020-07-07
"Impossible to put down. It haunts me still." -Alex Marzano-Lesnevich, author of *The Fact of a Body: A Murder and a Memoir* A riveting, deeply personal exploration of the opioid crisis--an empathic memoir infused with hints of true crime. In November 2013, Rose Andersen's younger sister Sarah died of an overdose in the bathroom of her boyfriend's home in a small town with one of the highest rates of opioid use in the state. Like too many of her generation, she had become addicted to heroin. Sarah was 24 years old. To imagine her way into Sarah's life, Rose revisits their volatile childhood, marked by their stepfather's omnipresent rage and their father's pathological lying. As the

dysfunction comes into focus, so does a broader picture of the opioid crisis and the drug rehabilitation industry in small towns across America. And when Rose learns from the coroner that Sarah's cause of death was a methamphetamine overdose, the story takes a wildly unexpected turn. As Andersen sifts through her sister's last days, we come to recognize the contours of grief and its aftermath: the psychic shattering which can turn to anger, the pursuit of an ever-elusive verdict, and the intensely personal rites of imagination and art needed to actually move on. Reminiscent of Alex Marzano-Lesnevich's *The Fact of a Body*, Maggie Nelson's *Jane: A Murder*, and Lacy M. Johnson's *The Other Side*, Andersen's debut is a potent, profoundly original journey into and out of loss.

Memoirs of a Maverick Certified Public Accountant (CPA) - Robert Grottke 2017-11-30
For the uneducated, accounting doesn't seem like the most exciting profession in the world. It's just crunching numbers, right? Robert Louis Grottke shatters misconceptions in his new book, *Memoirs of a Maverick Certified Public Accountant-CPA*. Grottke has spent fifty years in the accounting business and has created new approaches and techniques for many different industries. Grottke chronicles these successes and more in his memoir. He covers his early years in the field, his development of a fresh-meat reporting system, his experiences with auditing, his conduct of coupon-cost-handling studies, his wild trips to locales all over the world, his involvement in the development of the universal product code, his creation of profit-improvement techniques for wholesalers, his development of an international trend in retailing journal, his experiences building his own company, his time as an expert witness, his role as a chief financial officer, and other fascinating financial topics. As he recounts his successes in the industry, Grottke imparts valuable advice about professional development. Whether you are an accountant yourself or you are simply inspired by stories of people who love their jobs, you will gain new insight and encouragement from Grottke's [Occupational Outlook Handbook](#) - United States. Bureau of Labor Statistics 1976
