**Goddess** - Josephine Angelini 2013-05-28

International bestselling author Josephine Angelini concludes her action-packed Starcrossed trilogy with *Goddess*—a romantically-charged page-turner that *Newsday* raved was a "clever reworking of Greek mythology." But the gods' fury already has a body count, and time is running out. With Lucas Delos's life hanging in the balance, and their once-solid group of friends now divided, Helen must face this battle alone, while also deciding who has her heart—Lucas, or the possible Tyrant, Orion. *The Storyteller* - Antonia Michaelis 2012-01-16

The award-winning YA author weaves "an unsettling tapestry of ugly secrets, violence, suspense, twisted motives and love's unfathomable ways" (Kirkus). Anna and Abel couldn't be more different. They are both seventeen and in their last year of school, but while Anna lives in a nice old town house and comes from a well-to-do family, Abel, the school drug dealer, lives in a grim tower block at the edge of town. Anna naturally keeps her distance from Abel. But when she discovers that he is the only one caring for his six-year-old sister, her fear turns to fascination. Anna follows the two, listening as Abel tells little Micha the story of a tiny queen assailed by dark forces. It's a beautiful fairy tale that lets Anna see Abel's reality. Unable to make ends meet, he's in danger of losing Micha to their abusive father. Anna gradually falls in love with Abel, but when his "enemies" begin to turn up dead, she fears she has fallen for a murderer. Antonia Michaelis, the Batchelder Honor Award-winning author of *Tiger Moon*, moves in a bold new direction with her latest novel: a dark, haunting, contemporary story that is part mystery, part melodrama, and part dark romance.

**The Last Graduate** - Naomi Novik 2021-09-28

NEW YORK TIMES BESTSELLER • The specter of graduation looms large as Naomi Novik's groundbreaking, New York Times bestselling trilogy continues in the stunning sequel to *A Deadly Education*. HUGO AWARD FINALIST • LOCUS AWARD FINALIST • ONE OF THE BEST

BOOKS OF THE YEAR: Polygon, Thrillist, She Reads • “The climactic graduation-day battle will bring cheers, tears, and gasps as the second of the Scholomance trilogy closes with a breathtaking cliff-hanger.”—Booklist (starred review) In Wisdom, Shelter. That’s the official motto of the Scholomance. I suppose you could even argue that it’s true—only the wisdom is hard to come by, so the shelter’s rather scant. Our beloved school does its best to devour all its students—but now that I’ve reached my senior year and have actually won myself a handful of allies, it’s suddenly developed a very particular craving for me. And even if I somehow make it through the endless waves of maleficaria that it keeps throwing at me in between grueling homework assignments, I haven’t any idea how my allies and I are going to make it through the graduation hall alive. Unless, of course, I finally accept my foretold destiny of dark sorcery and destruction. That would certainly let me sail straight out of here. The course of wisdom, surely. But I’m not giving in—not to the mals, not to fate, and especially not to the Scholomance. I’m going to get myself and my friends out of this hideous place for good—even if it’s the last thing I do. With keen insight and mordant humor, Novik reminds us that sometimes it is not enough to rewrite the rules—sometimes, you need to toss out the entire rulebook. The magic of the Scholomance trilogy will continue in *The Golden Enclaves*

With no one but each other for company, Zorie and Lennon have no choice but to hash out their issues via witty jabs and insults as they try to make their way to safety. But fighting each other while also fighting off the forces of nature makes getting out of the woods in one piece less and less likely. Or was it just a result of the fresh forest air and the magic of the twinkling stars?

Six friends. One killer. Who do you trust? A teen girl is missing after a night of partying; thirty years later, the discovery of her body reopens a cold case in “a scorching portrait of friendship and its betrayal.” (Nicci French). “This enjoyably chilling suspense tale . . . conveys both the thrills and the dangers of being a teenager on the brink of adult independence.”—The New York Times Book Review On a scorching July night in 1983, a group of teenagers goes camping in the forest. When they wake in the morning the youngest of their group, Aurora Jackson, has disappeared. An exhaustive investigation is launched, but no trace of the teenager is ever found. Thirty years later, Aurora’s body is unearthed in a hideaway that only the six friends knew about, and Jonah Sheens is put in charge of solving the long-cold case. Back in 1983, as a young cop in their small town, he had known the teenagers—including Aurora—personally, even before taking part in the search. Now he’s determined to finally get to the truth of what happened that night. Sheens’s investigation brings the members of the camping party back to the forest, where they will be confronted once again with the events that left one of them dead and all of them profoundly changed forever. This searing, psychologically captivating novel marks the arrival of a dazzling new talent, and the start of a new series featuring Detective Chief Inspector Jonah Sheens. Praise for *She Lies in Wait* “A novel that literally makes you hold your breath then gasp out loud.”—Val McDermid “*She Lies in Wait* is an atmospheric, deeply satisfying, well-written mystery

One hopes there will be many more to come.”—Daily Herald “The mystery intrigues and twists, offering enough red herrings and moments of police procedural to please fans of the genre.”—Kirkus Reviews (starred review) “What a marvel! A corkscrew-twisty, knife-sharp thriller—yet it doubles as a tender ode to loss and longing. Prepare to be haunted.”—A. J. Finn, author of the New York Times bestseller *The Woman in the Window*

**York: The Clockwork Ghost** - Laura Ruby 2019-05-14

National Book Award finalist Laura Ruby returns with the middle chapter in her epic alternate-history adventure—a journey that will test Tess, Theo, and Jaime and change their lives forever. It was only a few weeks ago that the Biedermann twins, Tess and Theo, along with their friend Jaime Cruz, followed the secrets of the Morningstarrs' cipher further than anyone had in its century-and-a-half history—and destroyed their beloved home in the process. But the Old York Cipher still isn't solved. The demolition of 354 W. 73rd Street only revealed the next clue in the greatest mystery of the modern world, and if Tess, Theo, and Jaime want to discover what lies at the end of the puzzle laid into the buildings of New York by its brilliant, enigmatic architects, they will need to press on.
