Herreshoff - Maynard Bray 2016-11-22

Elegant by design and spectacular in performance, thirty-six iconic Herreshoff boats are showcased in magnificent photographs and original drawings. The Herreshoff Manufacturing Company—led by its founding spirit, the brilliant designer Captain Nathanael Greene Herreshoff (1848-1938)—constructed the most thrilling, innovative, and graceful boats ever built in the United States, not only lavish yachts and thoroughbred racing classes but also daysailers and dinghies, weekend cruisers and motor launches. Marine historian Maynard Bray and Herreshoff expert Claas van der Linde, in collaboration with renowned nautical photographer Benjamin Mendlowitz, present the very finest of the Herreshoff designs afloat today, with insightful commentary on design evolution in every facet from lines to displacement to hardware, accompanied by full-color images of each vessel both in detail and under way, as well as unique color reproductions of Herreshoff's own archival plans and drawings. Each entry incorporates a history of the boat (or class), its owners, race results, and fate, celebrating the many that still grace our waters.

The People On Privilege Hill - Jane Gardam 2013-01-17

It is a wet day in Dorset, and walking to a luncheon party is Sir Edward Feathers QC, followed by two elderly friends: his scruffy neighbour and sparring partner, Veneering, and Fiscal-Smith, the meanest lawyer ever to make a fortune at the Bar. Fans of Jane Gardam's bestselling novel, *OLD FILTH*, will be delighted to encounter Filth, now almost ninety, making his immaculate way to Privilege Hill, named perhaps for the Prive-Lieges who arrived with the Normans, but more probably for the village privies. Ranging from a Victorian mansion converted into a home for unmarried mothers to a wartime hospital in the middle of the Blitz, from ghost stories to brilliant observations of love and loneliness in their various manifestations - including, in 'Pangbourne', a woman who falls in love with a gorilla - to reflections on the haphazard nature of intellect and memories in 'The Last Reunion', the stories in this collection mix Jane Gardam's trademark sardonic wit with a delicate tenderness and a touch of the surreal.

The trumpeter of Sackingen - V.E. Nessler 1884

Folkboat Story - Dieter Loibner 2008-10

Dieter Loibner, an editor and boating writer, holds a Ph.D. in journalism. He has contributed hundreds of articles on sailing to newspapers and magazines around the world. He lives in Oakland, California.

The Long Way - Bernard Moitessier 2019-08-01

The Long Way is Bernard Moitessier's own incredible story of his participation in the first Golden Globe Race, a solo, non-stop

circumnavigation rounding the three great Capes of Good Hope, Leeuwin, and the Horn. For seven months, the veteran seafarer battled storms, doldrums, gear-failures, knock-downs, as well as overwhelming fatigue and loneliness. Then, nearing the finish, Moitessier pulled out of the race and sailed on for another three months before ending his 37,455-mile journey in Tahiti. Not once had he touched land.

The Hollow Land - Jane Gardam 2015-01-06

The barren, beautiful Cumbrian fells provide the bewitching setting for the adventures of Bell and Harry, two children who find enchanting wonder at every turn, as they explore THE HOLLOW LAND. Everyday challenges give a daring edge to this rural work and play. There are ancient mysteries to explore and uncover, like the case of the Egg Witch, and everyone is curious about the Household Name, a wildly famous Londoner moving in to the jewel of the territory, Light Trees Farm. With painterly ease, Jane Gardam's stories fly with a marvelous spirit that will delight readers of all ages!

Elvis Presley - Joel Williamson 2015

One of the most admired Southern historians of our time paints an intimate portrait of Elvis Presley, set against the rich backdrop of Southern society, that illuminates the zenith of his career, showing how Elvis himself changed—and didn't—and providing a deeper understanding of the man and his times.

Rewriting Reality - Allyson Fiddler 1994-05-11

This first systematic study of the controversial Austrian feminist writer, Elfriede Jelinek, offers an extensive survey and analysis of Jelinek's major texts and a discussion of the literary techniques which characterise her writing. Background contextual information on historical and literary developments is provided to help the reader gain a better understanding of Jelinek's writing and her place within current international debates on feminism and literary theory.

The North Water - Ian McGuire 2016-03-15

One of The New York Times Book Review's 10 Best Books of the Year National Bestseller Longlisted for the Man Booker Prize Winner of the RSL Encore Award Finalist for the Los Angeles Book Prize A New York Times and Wall Street Journal Bestseller Named a Best Book of the Year by Chicago Tribune, The Wall Street Journal, The Guardian, New Statesman, Publishers Weekly, and Chicago Public Library Behold the man: stinking, drunk, and brutal. Henry Drax is a harpooner on the Volunteer, a Yorkshire whaler bound for the rich hunting waters of the arctic circle. Also aboard for the first time is Patrick Sumner, an ex-army surgeon with a shattered reputation, no money, and no better option than to sail as the ship's medic on this violent, filthy, and ill-fated voyage. In India, during the Siege of Delhi, Sumner thought he had experienced the depths to which man can stoop. He had hoped to find temporary respite on the Volunteer, but rest proves impossible with Drax on board. The discovery of something evil in the hold rouses Sumner to action. And as the confrontation between the two men plays out amid the freezing darkness of an arctic winter, the fateful question arises: who will survive until spring? With savage, unstoppable momentum and the blackest wit, Ian McGuire's *The North Water* weaves a superlative story of humanity under the most extreme conditions.

Notable Boats - Nic Compton 2019-03-26

A charmingly illustrated selection of thirty-six iconic boats and the remarkable stories surrounding them. Whether it be on a humble fishing boat, a canvas kayak, or a racing yacht, the allure of navigating across a brilliant blue sea is a pleasure that many dream of experiencing. *Notable Boats* presents thirty-six small crafts and the inspirational journeys that made them memorable, celebrating the beauty and craftsmanship of each vessel. From an eleven-foot micro-cruiser that was built on an apartment balcony then set sail around the world, to the seven-day voyage that would change John Lennon's life, this book is an absorbing read that will engage the reader in the romance of maritime adventures.

Featuring beautiful color illustrations, attractively styled statistics, and gripping text, *Notable Boats* is a delightful read for anyone who appreciates the art of sailing, showing a range of everyday crafts such as the canoe and the fishing trawler, boats of historic interest, fictional ships, and more. Each boat is illustrated in detail, including the aerial view of its deck, a map of its course, and a written description of the boat and what it is famous for. The stories cover the globe, with compelling tales from all the world's waterways, from the Nile to the poles and from the Spanish Main across the seven seas. *Notable Boats* offers an intimate window into a world of sailing and pays homage to some of the world's most unforgettable boats, adventurous sailors, and amazing voyages.

Modern Splicing - Egmont M Friedl 2021-06-28

For marine, boating, and climbing amateurs and professionals at all levels, splices--the strongest way of attaching or joining the end of a rope--are essential. Why? Because a splice gives the strongest way of attaching or joining the end of a rope to any object or to another rope. (Every knot, on the other hand, weakens a rope.) In this much-anticipated handbook, world-renowned expert Friedl guides you through modern splicing techniques with his clear directions, one-of-a-kind color diagrams, and 200+ color photos. The book is supplemented by four-plus hours of excellent video instruction. Throughout, every type of splice is shown by an expert climber and shipbuilder. Learn what to know before starting to splice, then build a solid understanding and competence of modern cordage, its construction, and its fiber materials. Friedl has over 35 years of sailing experience, including several Atlantic crossings, and is also a professional climber. He teaches seminars and workshops on modern splicing worldwide, and in 2006, Friedl made the modern soft shackle internationally known. Now, his much-anticipated book allows you, whether you are a hobbyist or a professional, to leverage splicing skills to become more self-reliant while making your maritime or climbing pursuits safer.

Zitty - 2006

Sex Money Kiss - Gene Simmons 2005-10-01

"Let's face it, just because I stick out my tongue a lot and spit fire doesn't mean I have any qualifications to advise anyone on relationship, money or career issues. I don't. Yet I've lived with a beautiful woman for twenty years with never a cross word between us, in a relationship based on honesty and full disclosure. I've amassed a fortune--and "expert business people" work for me. And for three decades I've been in KISS--a band that has scaled the heights and broken every possible record, from album sales to touring to merchandising and licensing. What I have and have always had (thanks in full to my mother's wisdom) is an abiding faith in me. Call it a "life philosophy": a philosophy about money (mine!) and happiness (mine again). It works for me. It can work for you!

Cultures of Communication from Reformation to Enlightenment - James Van Horn Melton 2017-05-15

Focusing on the territories of the Holy Roman Empire from the early Reformation to the mid-eighteenth century, this volume of fifteen interdisciplinary essays examines some of the structures, practices and media of communication that helped shape the social, cultural, and political history of the period. Not surprisingly, print was an important focal point, but it was only one medium through which individuals and institutions constructed publics and communicated with an audience. Religious iconography and ritual, sermons, music, civic architecture, court ceremony, street gossip, acts of violence, are also forms of communication explored in the volume. Bringing together scholars from diverse disciplines and scholarly backgrounds, this volume transcends narrow specializations and will be of interest to a broad range of academics seeking to understand the social, political and cultural consequences of the "information revolution" of Reformation Europe.

Structuring Design - Ulysses Voelker 2019-05

A contemporary reference book on the principles and laws of visual communication as an introduction to practical design.

Daniel - Henning Mankell 2010-11-04

In the 1870s, Hans Bengler arrives in Cape Town from Sweden, driven by a singular desire: to discover an insect no one has seen before and name it after himself. But then he impulsively adopts a young San orphan, a boy he christens Daniel and brings with him back to Sweden--a quite different specimen than he first contemplated. Daniel is told to call Bengler "Father," taught to knock on doors and bow, and continually struggles to understand this strange new land of mud and snow that surrounds and seemingly entraps him. At the same time, he is haunted by visions of his murdered parents calling him home to Africa. Knowing that the only way home is by sea, he decides he must learn to walk on water if he is ever to reclaim his true place in the world.

Hull & Deck Repair - Don Casey 2008

A fibreglass hull's seamless nature leads many boatowners to conclude that repair must be difficult. But it's not. There is virtually no repair to a fibreglass hull or deck that a motivated owner can't do as well (if not as quickly) as a professional, and in this practical manual, Don Casey gives you all the advice you need to repair and maintain your fibreglass boat. With admirably clear explanations and diagrams, Casey explains how to mend leaks, seal joints, fix cracks and holes, replace portlights, restore a hull's gloss, renew non-slip decks, and deal with keel and rudder damage as well as core problems. In fact he covers everything the boater needs to know, and much more. 'A very effective guide to repairs... so clear and compact.' *Practical Boat Owner*

A History of Opera - Carolyn Abbate 2015-09-08

"The best single volume ever written on the subject, such is its range, authority, and readability."—*Times Literary Supplement* Why has opera transfixed and fascinated audiences for centuries? Carolyn Abbate and Roger Parker answer this question in their "effervescent, witty" (*Die Welt*, Germany) retelling of the history of opera, examining its development, the musical and dramatic means by which it communicates, and its role in society. Now with an expanded

examination of opera as an institution in the twenty-first century, this "lucid and sweeping" (*Boston Globe*) narrative explores the tensions that have sustained opera over four hundred years: between words and music, character and singer, inattention and absorption. Abbate and Parker argue that, though the genre's most popular and enduring works were almost all written in a distant European past, opera continues to change the viewer—physically, emotionally, intellectually—with its enduring power.

Fireside tales - 1990

Father and Son - E. O. Plauen 2017-05-09

Father and Son is one of the most beloved comic strips ever drawn—an uproarious, timeless ode to the pleasures, pitfalls, and endless absurdity of family life. *Father and Son* is a slyly heartwarming, dizzyingly inventive classic in the tradition of *Calvin and Hobbes* and *The Simpsons*. Created in 1934 by the German political cartoonist Erich Ohser (using the pseudonym E.O. Plauen after being blacklisted for his opposition to the Nazi regime), the gruff, loving, mustachioed father and his sweet but troublemaking son embark on adventures both everyday and extraordinary: family photoshoots and summer vacations, shipwrecks and battles with gangsters, a Christmas feast with forest animals and a trip to the zoo. Drawn almost entirely without dialogue, the strips overflow with slapstick, fantasy, and anarchic visual puns. *Father and Son* remains an uproarious, timeless ode to the pleasures, pitfalls, and endless absurdity of family life. This NYRC edition is an extra-wide hardcover with raised cover image, and features new English hand-lettering.

Leonard Bernstein 100 - Jamie Bernstein 2018-11-15

Leonard Bernstein's life captivated the public, giving rise to indelible photographs by many of the greatest photographers of the 20th Century. This book tells Bernstein's story through the lenses of such masters as Richard Avedon, Henri Cartier-Bresson, Bruce Davidson, Alfred Eisenstaedt, Ernst Haas, Ken Heyman, Stanley Kubrick, Gjon Mili, Ralph Morse, Carl Mydans, Arnold Newman, Ruth Orkin, Gordon Parks, and Irving Penn. The collection is a rich trove that gives generations to come an unforgettable glimpse into the life of an artist who changed the face of culture in the 20th century.
