Prayers from God - Edward Woodville Dorrell, Jr. 2014  
Prayers from God ups the ante on how to pray out loud at church. A methodology is described whereby you can pray prayers that not only glorify God and edify the church but change lives and change the church. The book includes two hundred prayers that have been prayed out loud as part of the life of one evangelical church by one layman in worship services,

prayer meetings, etc. over a period of twenty years. What makes these prayers unique is the author's justification for calling them Prayers from God. These prayers display a passion and a concern for the lost you'll find nowhere else and give a glimpse into the life of evangelical church life. You'll not find prayers that cause controversy and make people uncomfortable in most books of prayers, but you will here. You can't just read these prayers; you pray these prayers as you read them

For this very end, God has established elders and deacons, members, and congregational authority. The Future of Baptist Higher Education - Donald D.

Schmeltekopf 2006

The Future of Baptist Higher Education investigates four key issues that inform Baptist efforts at higher education -- the denominational conflict that has afflicted Baptists since

the 1980s, the secularization of higher education in America, the dominance of the market-driven tendencies in American higher education today, and the meaning of Christian higher education, but more specifically, the meaning of Baptist higher education. This volume clearly illustrates that the meaning of Baptist and Christian higher education, as with the Christian life itself, is far more complex than any one imperial interpretation.

**Diverging Loyalties** - Bruce T.  
Gourley 2011

Baptists in the South, rapidly rising to challenge Methodists numerically, helped align southern religion with the South's black slave culture.

The birth of the Southern Baptist Convention in 1845, formed in order to preserve God's will for the African race, signaled the inevitability of war. Middle Georgia remained outside the front lines of the war, the region's relative intactness allowing for the continuation of church life during the war years. While many white Baptists from

middle Georgia marched off to war & whether to fight or to serve as chaplains or army missionaries & others stayed behind and voiced their thoughts from pulpits, in associational meetings, and in the pages of newspapers and journals. While historians have often portrayed white southern Baptists, with few exceptions, as firmly supportive of the Confederacy, the experience of middle Georgia Baptists is much more dynamic. Far from being monolithic, Baptists at the local church and associational level responded in a myriad of ways to the Confederacy. Patterns locally and associationally emerged and evolved as the war progressed, while differences between Southern and Primitive Baptists stood out. On a personal level, white Baptists' views of slavery and the Confederacy proved to be varied, numerous, nuanced, and dynamic & to such an extent that some individuals were unable to construct a consistent narrative as the war progressed. For their part,

black Baptists struggled to shape their own destinies within a white man's world, strivings that grew more intense as the war progressed and freedom seemed ever closer within reach. The end of the war signaled new realities for both white and black Baptists of the South. For whites, old loyalties had been rearranged and the immediate future was bleak. At the same time, black Baptists emerged empowered as never before and set forth on the path of self-determination.

adapted a unique symbolic communication that makes them aware of their naturally occurring fate; and through word and artifact, they dwell upon that discovery. Using the concepts of culture and place, he illuminates how two groups, Catholics in Spanish America and Baptists in the American South, create “being-in-Christ” and thereby “put death in its place.” The book combines biological, cultural, archaeological, and linguistic anthropology; a rigorous evolutionary framework; and a postmodern dialogic stance to view humanity as inescapably a product of nature without sacrificing the interpretative social constructions that “turn a primate into a poem.” Hard-won ethnographic detail and moving religious insight make this an enthralling work.

**Wild Goose Moon** - Ben Shepperd 2010-05  
"Molly Ivins, Texas columnist and wry observer of American culture, called 1968 'the year everything happened.' 1968 finds America engulfed in political and racial turmoil, assassinations, and a war seemingly without end. The year finds Tom Windham trying to deal with a few of life's basics - love, death, God, and sex. A sophomore at a conservative university in Dallas and the veteran of an upbringing in a small East Texas town, Tom sits uncomfortably on the cusp of

adulthood. He is joined there by his roommate Brandeis. Along with the young women in their lives, their college friends, and their families, they experience the joys, struggles and tragedies of the year on a human scale. While the events of the operatic year keep intervening, changes in American attitudes toward sex, race, women, war and religion are also reflected in *Wild Goose Moon*--Publisher description.

**Baptists and Worship** - R. Scott Connell 2020-11-30  
Worship is dialogue. It is more than that, but it is not less than that. The way Baptists have worshiped for three and a half centuries demonstrates this consistently, in spite of their penchant for freedom and autonomy. No one tells Baptists how to order their worship services. They don't have a common liturgy that they must follow, and yet their services look remarkably similar. This is largely due to two controlling factors in their worship: The Bible that they embrace as inspired, inerrant, authoritative, and sufficient; and the Christ-revealing gospel that is contained within its pages. When the word of God is followed closely, a shape for

worship order begins to emerge. It is the same "gospel-shape" that is found throughout the Bible. When the word of God is applied to a worship service in which God and his people are engaged in a worship conversation, a consistent contour of gospel elements and content begins to emerge that reveals the glory of the Christ we gather to worship. He is so glorious that when we behold him, we are transformed into the same image from one degree to another. This is the power of corporate worship (2 Cor 3).
