The Comparative 1st Century Aramaic Bible in Plain English (8th ed.) & King James Version New Testament with Psalms and Proverbs - Rev. David Bauscher 2011

This is the 3rd comparative edition of the 8th edition translation of The Aramaic New Testament (Aramaic was the language of Jesus and his countrymen of 1st century Israel) in an English prose translation of The Peshitta New Testament displayed in two columns- one has the King James Version on the left and the other has the translation of the Aramaic Peshitta on the right. This translation is derived from the author's Aramaic-English Interlinear New Testament. Aramaic was used in Mel Gibson's film "The Passion of the Christ" to make the film as realistic and accurate as possible. This New Testament will surprise and thrill the reader with its power and inspiration coming from the words of "Yeshua" ("Jesus" in ancient Aramaic) as He originally spoke them, in a literal and readable English rendering. 659 pages in 6x9" paperback. The parallel Psalms and Proverbs of both versions are included after the NT.

Bringing Words to Life - Isabel L. Beck 2013-03-14

"Exciting and engaging vocabulary instruction can set students on the path to a lifelong fascination with words. This book provides a research-based framework and practical strategies for vocabulary development with children from the earliest grades through high school. The authors emphasize instruction that offers rich information about words and their uses and enhances students' language comprehension and production. Teachers are guided in selecting words for instruction; developing student-friendly explanations of new words; creating meaningful learning activities; and getting students involved in thinking about, using, and noticing new words both within and outside the classroom. Many concrete examples, sample classroom dialogues, and exercises for teachers bring the material to life. Helpful appendices include suggestions for trade books that help children enlarge their vocabulary and/or have fun with different aspects of words"--
