The 13th Juror - John Lescroart
2005-08-02

He is obsessed with her innocence. He will be destroyed by her guilt. The walls were champagne. The house was immaculate. A prosperous doctor lived there with his son and his beautiful wife. But the elegant walls hid a family's secret, a wife's shame. And one day shots rang out in the doctor's house. Suddenly Jennifer Witt was in jail, facing the death penalty. Jennifer insisted that she had not killed her abusive husband -- and she could never have killed her own son. Dismas Hardy believed her. But Hardy was only part of the defense

team, and the only lawyer who continued to believe her...even as her story was torn to pieces, even as her lies came out, even as she was found guilty of murder. Now there's only one thing Jennifer can do to save her life...and she refuses to do it. So Hardy must do it for her. And in a shocking case of violence, betrayal, and lies, his only weapon is the truth... The 13th Juror...When innocence is not enough.

Times Book Review In 1942, with Nazis occupying Holland, a thirteen-year-old Jewish girl and her family fled their home in Amsterdam and went into hiding. For the next two years, until their whereabouts were betrayed to the Gestapo, they and another family lived cloistered in the "Secret Annex" of an old office building. Cut off from the outside world, they faced hunger, boredom, the constant cruelties of living in confined quarters, and the ever-present threat of discovery and death. In her diary Anne Frank recorded vivid impressions of her experiences during this period. By turns thoughtful, moving, and amusing, her account offers a fascinating commentary on human courage and frailty and a compelling self-portrait of a sensitive and spirited young woman whose promise was tragically cut short.

Micro Fiction - Jerome H. Stern 1996

Ten years ago, Jerome Stern, director of the writing program at Florida State, initiated the World's Best Short Short Story Contest. Stories were to be about 250 words long; first prize was a check and a crate of oranges. Two to three thousand stories began to show up annually in Tallahassee, and National Public Radio regularly broadcast the winner. But, more important, the Micro form turned out to be contagious; stories of this "lack of length" now dot the literary magazines. The time seemed right, then, for this anthology, presenting a decade of contest winners and selected finalists. In addition, Stern commissioned Micros, persuading a roster of writers to accept the challenge of completing a story in one page. Jesse Lee Kercheval has a new spin on the sinking of the Titanic; Virgil Suarez sets his sights on the notorious Singapore caning; George Garrett conjures up a wondrous screen treatment

The Thirteenth Tale - Diane Setterfield 2009-03-16
Biographer Margaret Lea returns one night to her apartment above her father's antiquarian bookshop. On her steps she finds a letter. It is a hand-written request from one of Britain's most prolific and well-loved novelists. Vida Winter, gravely ill, wants to recount her life story before it is too late, and she wants Margaret to be the one to capture her history. The request takes Margaret by surprise—she doesn't know the author, nor has she read any of Miss Winter's dozens of novels. Late one night, while pondering whether to accept the task of recording Miss Winter's personal story,

Margaret begins to read her father's rare copy of Miss Winter's *Thirteen Tales of Change and Desperation*. She is spellbound by the stories and confused when she realizes the book only contains twelve stories. Where is the thirteenth tale? Intrigued, Margaret agrees to meet Miss Winter and act as her biographer. As Vida Winter unfolds her story, she shares with Margaret the dark family secrets that she has long kept hidden as she remembers her days at Angelfield, the now burnt-out estate that was her childhood home. Margaret carefully records Miss Winter's account and finds herself more and more deeply immersed in the strange and troubling story. In the end, both women have to confront their pasts and the weight of family secrets. As well as the ghosts that haunt them still.

Teaching Literature to Adolescents - Richard Beach
2020-12-29

Now in its fourth edition, this popular textbook introduces prospective and practicing English teachers to current methods of teaching literature in middle and high school classrooms. This new edition broadens its focus to cover important topics such as critical race theory; perspectives on teaching fiction, nonfiction, and drama; the integration of digital literacy; and teacher research for ongoing learning and professional development. It underscores the value of providing students with a range of different critical approaches and tools for interpreting texts. It also addresses the need to organize literature instruction around topics and issues of interest to today's adolescents. By using authentic dilemmas and contemporary issues, the authors encourage preservice

English teachers and their instructors to raise and explore inquiry-based questions that center on the teaching of a variety of literary texts, both classic and contemporary, traditional and digital. New to the Fourth Edition: Expanded attention to digital tools, multimodal learning, and teaching online New examples of teaching contemporary texts Expanded discussion and illustration of formative assessment Revised response activities for incorporating young adult literature into the literature curriculum Real-world examples of student work to illustrate how students respond to the suggested strategies Extended focus on infusing multicultural and diverse literature in the classroom Each chapter is organized around specific questions that preservice teachers consistently raise as they prepare to become English language arts teachers. The authors model critical inquiry throughout the text by offering authentic case narratives that raise important

considerations of both theory and practice. A companion website, a favorite of English education instructors, <http://teachingliterature.pbworks.com>, provides resources and enrichment activities, inviting teachers to consider important issues in the context of their current or future classrooms. *Resources in Education* - 1975

Bestseller A singular and
stunning debut novel about the
forbidden union between two
enslaved young men on a Deep
South plantation, the refuge
they find in each other, and a
betrayal that threatens their
existence. Isaiah was Samuel's
and Samuel was Isaiah's. That
was the way it was since the
beginning, and the way it was
to be until the end. In the barn
they tended to the animals, but
also to each other,
transforming the hollowed-out
shed into a place of human
refuge, a source of intimacy
and hope in a world ruled by
vicious masters. But when an
older man—a fellow
slave—seeks to gain favor by
preaching the master's gospel
on the plantation, the enslaved
begin to turn on their own.
Isaiah and Samuel's love,
which was once so simple, is
seen as sinful and a clear
danger to the plantation's
harmony. With a lyricism
reminiscent of Toni Morrison,
Robert Jones, Jr., fiercely
summons the voices of slaver
and enslaved alike, from Isaiah

and Samuel to the calculating slave master to the long line of women that surround them, women who have carried the soul of the plantation on their shoulders. As tensions build and the weight of centuries—of ancestors and future generations to come—culminates in a climactic reckoning, *The Prophets* fearlessly reveals the pain and suffering of inheritance, but is also shot through with hope, beauty, and truth, portraying the enormous, heroic power of love.

Index, A History of the: A Bookish Adventure from Medieval Manuscripts to the Digital Age - Dennis Duncan 2022-02-15

Downloaded from store.click-arm.com on by guest

A New York Times Editors' Choice Book Named a Most Anticipated Book of 2022 by Literary Hub and Goodreads A playful history of the humble index and its outsized effect on our reading lives. Most of us give little thought to the back of the book—it's just where you go to look things up. But as Dennis Duncan reveals in this delightful and witty history, hiding in plain sight is an unlikely realm of ambition and obsession, sparring and politicking, pleasure and play. In the pages of the index, we might find Butchers, to be avoided, or Cows that sh-te Fire, or even catch Calvin in his chamber with a Nonne. Here, for the first time, is the secret world of the index: an unsung but extraordinary everyday tool, with an illustrious but little-known past. Charting its curious path from the monasteries and universities of thirteenth-century Europe to Silicon Valley in the twenty-first, Duncan uncovers how it has saved heretics from the stake, kept politicians from high

office, and made us all into the readers we are today. We follow it through German print shops and Enlightenment coffee houses, novelists' living rooms and university laboratories, encountering emperors and popes, philosophers and prime ministers, poets, librarians and—of course—indexers along the way. Revealing its vast role in our evolving literary and intellectual culture, Duncan shows that, for all our anxieties about the Age of Search, we are all index-rakers at heart—and we have been for eight hundred years.
