Collins Webster's Easy Learning English Conversation - Collins Dictionaries 2012

Collins Webster's Easy Learning English Conversation: Book 2 is a unique guide to communicating in English. Building on the phrases and

vocabulary learned in Book 1, it has been specially designed for intermediate-level learners who want to communicate successfully and with confidence in everyday situations, at work, or when traveling or studying. The text consists of 14 units, each illustrating the language used in a particular situation. The topic-based units cover the language learners need in everyday situations, but also language for more formal situations, such as a seminar or business meeting. Each section contains a list of the most useful phrases, with information on where and when they should be used, and a short sample of a conversation, showing the learner how a typical conversation flows in English. An audio CD contains all the conversations from the book, and allows the user to practise what they have learned. In addition, the supplement contains all the everyday expressions and language structures that learners need to speak in natural English, organized by function. Each section also contains a glossary of useful vocabulary, making Collins Webster's Easy Learning English Conversation: Book 2 an indispensable resource for students who want to build on their conversation skills so that they can speak English fluently and with confidence.

American English File - Clive Oxenden 2010-01-07

"Texts must be interesting enough for students to want to read them in their own language. Otherwise, how can we expect students to want to read them in English?" This is the authors' golden rule when they choose texts and topics for every level of American English File. It ensures you get material that learners will enjoy reading and will want to talk about. Texts such as "Could you live without money?" really help to generate opinion and discussion. They create a desire to communicate. Having created the desire, American English File then helps you to develop learners' communication skills. One way it does this is with a strong focus on pronunciation. Research shows that poor pronunciation is a major contributor to breakdowns in communication (Jennifer Jenkins: The Phonology of English as an International Language). American English File integrates pronunciation into every lesson - the "little and

often" approach. But that's not all. The unique English File Sounds Chart puts a picture to each sound in the phonetic alphabet, so learners find it easier to remember the sounds and, ultimately, improve their pronunciation.

Pronounce it Perfectly in English - Jean Yates (nauczyciel) 2016

Rapidex English Speaking Course (Nepali) - EDITORIAL BOARD
2015-01-09

A legendary language learning course undoubtedly! Rapidex English Speaking Course is the only speaking course of its kind whose features can be described in superlative degree only. It has already benefited millions of readers across the country. Experts have unanimously declared it as the best self-study course. Perhaps that is the reason that for over 15 years it has constantly been on the top of the best sellers list in the market. What is the secret of its great popularity? Maybe, a no-nonsense down-to-earth approach and a very scientific methodology that takes into its account the special requirements of Indian learners. In any case it is not just another crash course that begins with a bang but

ends with a whimper. Rather its contents and subject matters have been specially designed to help a common man achieve maximum command on the language in a very short time. The most important part of this self-study course is confidence building measures because it has been found from the long experience that biggest problem in the path of fluently speaking a foreign language is hesitation, that arises out of lack of confidence. Many people, who have good command over the language and are well aware of its grammar and composition, can't speak the language fluently. Why? The answer is simple. While speaking they try to construct a sentence in their mother language and do the mental translation before uttering a single line. This creates not only confusion but utter chaos in their mind. As a result they feel great hesitation to speak simple sentences. In some cases, however, the problem is more complex, as they lack the basic knowledge of the English language. Rapidex English Speaking Course takes care of both the cases. So, what are you waiting for? Go ahead and discover the secret of fluency in English speaking. Explore and develop your hidden potential and face the world with a new-found confidence and smartness. Only the sky should be your limit. No matter which language you know or speak, be it Hindi, Marathi, Gujarati, Tamil, Telegu, Assami, Oriya, Kannad, Punjabi, Bengali, Nepali or Urdu, with the help of this book English will no more be a foreign language for you. A must for every Indian home.

101 Conversations in Simple English - Olly Richards 2020-11-26

Improve your spoken English from home with 101 real-world conversations in simple, everyday English. Real English people don't speak like your textbook... so it's no wonder you feel unprepared when it's your turn to speak! This book fixes that. For the first time, you'll learn to speak English in the REAL world, with 101 authentic conversations in simple, spoken English, so you can become confident in the words, phrases and expressions you need to communicate like a local. You'll be transported into a real-world story that unfolds between six characters, told by the people themselves in 101 authentic conversations. Over 15,000 words of real English, you'll immerse yourself in a gripping drama and get an education in natural English in the process. Here's what you'll get: 101 conversations in simple English, so you can learn real English as spoken in the street, understand spoken language with ease, and have English roll off your tongue more fluently With over 15,000 words of

dialogue, you'll have an exciting resource that will immerse you in English, at a level you can understand, so you can learn real spoken English without getting lost or overwhelmed Real, daily spoken English throughout - it's as if we held up a microphone and recorded the exact words coming out of people's mouths - so you can learn the expressions that real people use on the street (not in textbooks). You'll sound more authentic when you speak and make English-speaking friends more easily. Situational dialogues from typical daily circumstances, so you'll prepare yourself to survive realistic English encounters, in shops and cafés, and make meeting people and making arrangements second nature Conversations that are carefully written to be accessible for beginners (A2-B1 on the CEFR), so you can start to learn from real, spoken conversations, even as a beginner, without having to go through the rollercoaster of difficult conversations with strangers Each conversation is limited to around 15 lines of dialogue (150 words), so you can get that crucial sense of achievement and motivation when you finish each conversation, and say "I actually understood all of that!" Summaries of each conversation which contextualise each dialogue, so you can easily follow the plot and enjoy the story without getting lost The story is set in London, England and includes some expressions that are typical in British English. However, the conversations use mostly "neutral" English that will help you if you're learning American English, or any other variety of English too! Created by Olly Richards, internationally-renowned language teacher and author, 101 Conversations in Real Spoken English gives you an education in real English that you won't find anywhere else. You'll be better prepared for using English in the real world, speak with more confidence, and take a giant leap towards fluency in English! SCROLL UP AND GRAB YOUR COPY NOW

Oxford Picture Dictionary - Jayme Adelson-Goldstein 2009-06

The OPD Second Canadian Edition English/Chinese is an illustrated, theme-based dictionary for second-language learners. This four-colour dictionary defines words through pictures, and presents each new word in context. The OPD English/Chinese, along with the monolingual workbooks and many other components, can be used as a reference book

or as text for high school or adult ESL students at the beginner level. For years, the first monolingual Canadian edition of the OPD has been the industry leader among picture dictionaries. The second edition expands on the topics covered, providing more depth of vocabulary in the areas that matter most to students and offers Chinese speakers the additional advantage of having words and phrases defined in their native language. The illustrations have been completely updated in a more realistic style that is visually appealing to adult learners. The second edition also contains two new features: Introductory Pages and Story Pages. The Introductory Pages have been added to the beginning of each theme to give lower-level students a basic overview of key vocabulary words, and to give a starting point for discussion and an introduction to the theme for more advanced students. The Story Pages consist of a two-page spread at the end of each theme to help students use the words in context and practise their reading skills. The OPD English/Chinese is designed for use both in and out of the classroom. Speaking exercises are presented throughout the OPD to allow students to practise new vocabulary in pairs or small groups, while the pronunciation guide in the index allows students to check their pronunciation when they are studying on their own.
