**Howard Huang's Urban Girls** - Howard Huang 2010

Sexy in the city: Howard Huang's anime-inspired glamour girls When photographer Howard Huang began shopping his fashion book around New York in 2002 he had no idea he was about to become the master of urban photography. Back then, Huang, originating from Taiwan, thought "urban girls" were just women who lived in the city, explaining, "English is my second language; I was still learning." Nonetheless, when the editor of Black Men magazine asked if he knew how to shoot sexy women he said, "Sure!" and set about staging the magazine's voluptuous singers, models, and actresses in fantasies inspired by his love of comic books and anime. His composite photos feature exotic locales, lush interiors, or the neon-washed nighttime streets of Manhattan. His shapely heroines, including singer Jacki-O, actress Vida Guerra, and reality TV stars Hoopz, Deelishis, and Risky Jones, escape on sleek motorcycles; rob banks with guns drawn and Halliburton cases spilling money; brandish swords like Japanese assassins; conjure fire; hunt big game, and generally kick ass while displaying their own generous posteriors in photos reminiscent of video games. "The trick is to rework an image to enhance my vision, without drawing attention to cheesy Photoshop special effects," says Huang,

who studied under advertising photography master Michel Tcherevkoff. The result is a unique marriage of the new pictorialism with classic glamour photography, and a look at the little known niche market of African-American and Latina bikini models, collectively known as "urban girls." **Is It Black Women Bodies Or White Women Sex?** - Raymoni Love 2011-08-14

Sex, love and beauty have always gone hand in hand, and with today's black and white women, men have wonderful choices. I have seen white women on television, actresses like Kelly Brook, Megan Fox, Jessica Alba, etc., and their beauty matches their professionalism. No longer can men say that black women have the best bodies, because now white women have asses, breast and beauty to complement their chances in any contest. There should not be a generalization when it comes to women, because not all black women have great asses, and not all white women ass are flat. However, what makes them beautiful is in the eye of the beholder, and the beholders in this book are men. Men, of all lifestyles, are presenting their claim of what women they prefer, and why they choose them. In addition, there is more to love about women than their respective bodies, and the men help us to explore essential details of what make women beautiful to them. See, a woman can have a body like Serena Williams, but cannot boil an egg, or a woman can have beauty like actress Aishwarya, but is inept when it comes to sexually pleasing her man. Love transcends any boundaries society or Hollywood place on women, the essentialities that make men choose

white women over black women, or vice versa, stems from experience they share with you in this book.

**Four Degrees of Heat** - ReShonda Tate Billingsley 2006-03-01

The mercury is soaring, and it's the perfect time to dive into a pool of uninhibited sensuality—take a break from the heat with this collection of steamy summertime encounters featuring four of the most popular African American women writers. Going south for her summer break, a high school math teacher puts her assets to work as an exotic dancer in *Maxed Out* by Brenda L. Thomas. But when her secret double life follows her home to Philadelphia, things swing wildly out of control as she tries to walk the line between sexy woman and sex object. Worlds collide when a street-smart beauty scores with a multimillionaire during a summer that climaxes with the New York City blackout. Crystal Lacey Winslow captures the edgy thrills—and the dark side—of carnal pleasures in *Sex, Sin & Brooklyn*. In Rochelle Alers' *Summer Madness*, a sexy brother with a mysterious past turns a pretty librarian's play-it-safe Hamptons vacation into a torrent of sensual delights. But can she trust him without knowing his whole story? A jilted bride is on the Rebound in ReShonda Tate Billingsley's tale of passion in unexpected places. A Houston attorney goes solo on the Belize honeymoon she was supposed to share with her husband—and makes a sizzling connection with a handsome stranger in paradise.

**Perfect Is Boring** - Tyra Banks 2018-04-03  
Supermodel and super CEO of our time Tyra

Banks and her mother Carolyn show readers why when you kick perfection to the curb and showcase your unique beauty ain't nobody gonna stop you! In *Perfect Is Boring*, Tyra Banks and her mother, Carolyn, get raw, real and cray-in-a-good-way as they share what they've learned on Tyra's journey from insecure preteen to supermodel and entrepreneurial powerhouse. Though she'll be the first to tell you she is not her daughter's best friend—'cause she ain't that kinda mama!—there's no doubt that Carolyn's signature mix of pep talks and tough love got Tyra to where she is today, and here they pay it forward to empower readers with a reminder that perfect really isn't all that. Whether they're writing about watching Tyra's most imperfect moment go viral (Does "Be Quiet Tiffany!" ring any bells?), no-holds-barred sex talks or how they've overcome everything from fashion industry discrimination to media fat-shaming and a misguided attempt at a music career, they never lose their sense of humor or we-got-your-back-spirit. Full of smart, wise, and often hilarious lessons for mothers, daughters, fathers and sons everywhere—including "Take Responsibility for Yourself," "Lip Gloss + Pizza Sauce = Boss," and "Fix It or Flaunt It"—*Perfect Is Boring* is a must-read for anyone who needs a kick in the booty, a pat on the back, or a good reason to laugh-out-loud.

**On the Down Low** - J.L. King 2005-04-05

A bold exposé of the controversial secret that has potentially dire consequences in many African American communities. Delivering the first frank and thorough investigation of life “on the down low” (the DL), J. L. King exposes a closeted culture of sex between black men who lead “straight” lives. King explores his own past as a DL man, and the path that led him to let go of the lies and bring forth a message that can promote emotional healing and open discussions about relationships, sex, sexuality, and health in the black community. Providing a long-overdue wake-up call, J. L. King bravely puts the spotlight on a topic that has until now remained dangerously taboo. Drawn from hundreds of interviews, statistics, and the author's firsthand knowledge of DL behavior, *On the Down Low* reveals the warning signs African American women need to know. King also discusses the potential health consequences of having unprotected sex, as African American women represent an alarming 64 percent of new HIV infections. Volatile yet vital, *On the Down Low* is sure to be one of the most talked-about books of the year. “A survey by the Centers for Disease Control in Atlanta found that nearly a quarter of

black HIV-positive men who had sex with men consider themselves heterosexual.” —Essence

**Why Black Men Love White Women** - Rajen Persaud 2008-01-12

THE IRREVERENT, EYE-OPENING, AND HILARIOUS BOOK THAT DARES TO ASK... Why do so many high-profile black men date and marry the most ordinary white women? Why do so many other black men desire and covet the company of white women? And why does this subject deeply touch so many people of both races? Are these provocative questions matters of love, sex, revenge, power, or politics? All of the above, asserts Rajen Persaud in this illuminating, no-holds-barred book that will have you laughing with recognition while fundamentally changing the way you see just about everything -- from sex and marriage to your own gender and race in all its foibles, pretensions, and ultimate possibilities.

Challenging every one of our preconceptions about mixed-race relationships, Rajen Persaud's commentary lights up a topic that has only deepened in intensity and relevance in the decades since Sidney Poitier asked the world "Guess who's coming to dinner?" The answers, so deeply ingrained in our fabric as a nation and even grounded in our past, force us to look at ourselves and our culture with new eyes while pondering matters of CELEBRITY: From Michael Jordan to Bryant Gumbel to Tiger Woods, high-profile affairs and marriages with no shortage of controversy. SEX: Are black men choosing white women -- or rejecting black women? RACE: How white male insecurity is the key to understanding racism. RELATIONSHIPS: Is it more than love that brings the races together? POLITICS: How fear is used to gain power, from sexual politics to global war. MEDIA: How movies and television keep black men running to white women. ...and much more. Get ready for *Why Black Men Love White Women* -- and finally understand the relationship phenomenon of our times.

*Colonial Phantoms* - Dixa Ramírez 2018-04-24  
Using a blend of historical and literary analysis, *Colonial Phantoms* reveals how Western discourses have ghosted—miscategorized or erased—the Dominican Republic since the nineteenth century despite its central place in the architecture of the Americas. Through a variety of Dominican cultural texts, from literature to public monuments to musical performance, it illuminates the Dominican quest for legibility and resistance.

*Thick* - Tressie McMillan Cottom 2018-01-08  
One of Book Riot's "The Best Books We Read in October 2018" "To say this collection is transgressive, provocative, and brilliant is simply to tell you the truth." —Roxane Gay, author of *Hunger* and *Bad Feminist* Smart, humorous, and strikingly original essays by one of "America's most bracing thinkers on race, gender, and capitalism of our time" (Rebecca Traister) In these eight piercing explorations on beauty, media, money, and more, Tressie McMillan Cottom—award-winning professor and acclaimed author of *Lower Ed*—embraces her venerated role as a purveyor of wit, wisdom, and Black Twitter snark about all that is right and much that is wrong with this thing we call society.

Ideas and identity fuse effortlessly in this vibrant collection that on bookshelves is just as at home alongside Rebecca Solnit and bell hooks as it is beside Jeff Chang and Janet Mock. It also fills an important void on those very shelves: a modern black American feminist voice waxing poetic on self and society, serving up a healthy portion of clever prose and southern aphorisms as she covers everything from Saturday Night Live, LinkedIn, and BBQ Becky to sexual violence, infant mortality, and Trump rallies. *Thick* speaks fearlessly to a range of topics and is far more genre-bending than a typical compendium of personal essays. An intrepid intellectual force hailed by the likes of Trevor Noah, Chimamanda Ngozi Adichie, and Oprah, Tressie McMillan Cottom is "among America's most bracing thinkers on race, gender, and capitalism of our time" (Rebecca Traister). This stunning debut collection—in all its intersectional glory—mines for meaning in places many of us miss, and reveals precisely how the political, the social, and the personal are almost always one and the same.

*White Fragility* - Dr. Robin DiAngelo 2018-06-26  
The New York Times best-selling book exploring the counterproductive reactions white people have when their assumptions about race are challenged, and how these reactions maintain racial inequality. In this "vital, necessary, and beautiful book" (Michael Eric Dyson), antiracist educator Robin DiAngelo deftly illuminates the phenomenon of white fragility and "allows us to understand racism as a practice not restricted to 'bad people'" (Claudia Rankine). Referring to the defensive moves that white people make when challenged racially, white fragility is characterized by emotions such as anger, fear, and guilt, and by behaviors including argumentation and silence. These behaviors, in turn, function to reinstate white racial equilibrium and prevent any meaningful cross-racial dialogue. In this in-depth exploration, DiAngelo examines how white fragility develops, how it protects racial inequality, and what we can do to engage more constructively.

**Enough** - Roger Thurow 2010-06-22  
Original publication and copyright date: 2009.  
*Shadow Bodies* - Julia S. Jordan-Zachery 2017-10-27

What does it mean for Black women to organize

in a political context that has generally ignored them or been unresponsive although Black women have shown themselves an important voting bloc? How for example, does #sayhername translate into a political agenda that manifests itself in specific policies? *Shadow Bodies* focuses on the positionality of the Black woman's body, which serves as a springboard for helping us think through political and cultural representations. It does so by asking: How do discursive practices, both speech and silences, support and maintain hegemonic understandings of Black womanhood thereby rendering some Black women as shadow bodies, unseen and unremarked upon? Grounded in Black feminist thought, Julia S. Jordan-Zachery looks at the functioning of scripts ascribed to Black women's bodies in the framing of HIV/AIDS, domestic abuse, and mental illness and how such functioning renders some bodies invisible in Black politics in general and Black women's politics specifically.

[Around the Way Girl](#) - Taraji P. Henson  
2017-07-04

In her memoir, "the screen actress writes of her family--the one she was born into and the one she created. She shares stories of her father, a Vietnam vet who was bowed but never broken by life's challenges, and of her mother who survived violence both in the home and on DC's volatile streets. Here too she opens up about her experiences as a single mother, a journey some saw as a burden but which she saw as a gift"--Amazon.com.

Over 5,500 detailed biographies of the most eminent, talented and distinguished women in the world today.

[Bright Lights, Big Ass](#) - Jen Lancaster  
2007-05-01

Jen Lancaster hates to burst your happy little bubble, but life in the big city isn't all it's cracked up to be. Contrary to what you see on TV and in the movies, most urbanites aren't party-hopping in slinky dresses and strappy stilettos. But lucky for us, Lancaster knows how to make the life of the lower crust mercilessly funny and infinitely entertaining. Whether she's

reporting rude neighbors to Homeland Security, harboring a crush on her grocery store clerk, or fighting-and losing-the Battle of the Stairmaster-Lancaster explores how silly, strange, and not-so-fabulous real city living can be. And if anyone doesn't like it, they can kiss her big, fat, pink, puffy down parka.

[Clay and the Construction of Black Masculinity in Amiri Baraka's "Dutchman"](#) - Carmen Odimba  
2015-05-07

Seminar paper from the year 2010 in the subject American Studies - Literature, grade: 1,3, Johannes Gutenberg University Mainz (American Studies), course: Seminar „Recent Developments in American Theater“, language: English, abstract: The 1950s and 1960s are one of the most exciting chapters of African American history, politically and artistically. They bore a profusion of new ideas. While leaders like Martin Luther King and Malcolm X proposed radically opposed solutions to the problems of black people's rights, writers and intellectuals handled the Harlem Renaissance's heritage and music saw the hard blues from the earliest part of the century gain in popularity. It is in this period, in 1957, that Amiri Baraka - still LeRoi Jones at the time - moved to New York's Greenwich Village and became part of the Beat Movement. He then founded the literary magazine *Yugen* with his wife and obtained his first critical acclaim as a poet for *Preface to a Twenty Volume Suicide Note...* published in 1961. In 1960, he went to Cuba. This visit changed his life. He became aware of the relationship between politics and arts and decided to incorporate his political, social and spiritual beliefs in his writing, using poetry and drama as means to educate. Baraka's transitional period would give birth namely to *Dutchman*, a controversial play which premiered in 1964. The audiences were especially shocked by the political allusion to the Genesis. Baraka also transposed his own evolution in *Clay*: the movement from docile, assimilated and insignificant black man to proud revolutionary and marginal poet telling out loud his truth to the white institution.

Harlem, earn an education, and pursue a writing career.

*The Bull-Jean Stories* - Sharon Bridgforth 1998  
Fiction. African American Studies. LGBT Studies. Using traditional storytelling and nontraditional verse to chronicle the course of love returning in the lifetimes of one woman-loving-woman named bull-dog-jean, the bull-jean stories give cultural documentation and social commentary on African-American herstory and survival. Set in the rural South of the 1920s, THE BULL-JEAN STORIES herald the spirit of African-American people. "BULL-JEAN STORIES by Sharon Bridgforth isn't a book that you read, it's a book that you hear...The language in THE BULL-JEAN STORIES is sweet and intense, as are the thoughts and exploits of bull-dog-jean. Every passage sings...This book gets my unqualified recommendation and also a suggestion: if you can get Austin performance artist Bridgforth to your town for a reading, do it. You won't be disappointed." Sara Look "The book THE BULL-JEAN STORIES] brings to life the sights and sounds of the rural south in the 1920s with stories that leap to you from the well of love and life, untangling open heart wounds with words and uncovering the strength of the author in pure character. ..Bridgforth's talent as a storyteller is purposeful and loving. Consistent in THE BULL-JEAN STORIES is the cultural shadow that bull-jean, an 'all-my-heart' revolutionary, secretly and outwardly conquers with nobility and ease, but not without pain...The book carries you with it, not the other way around." Sandra Beckmeier ..".Set in the rural South of the 1920s, these stories are infused with a mother tongue that will work its magic on you, transporting you in time and place...The non-linear structure of her poetic/circular storytelling in the bull- jean stories makes for a natural transition from page to stage. It also is a very ingenious way to highlight what is the essence of oral tradition: how it sounds...Here the rhythm and the flow of the words and the dialect come together as if in song. These jazzy poetic riffs need to be read aloud. This is one book that should come with a CD Bridgforth's language begs to be heard." Debra Hiers "It reads like a play, speaks like a poem, visualizes like scenes from a movie, and lingers in your ear like your favorite song. Hooray for Sharon

bridgforth on her first published performance stories. It includes all the literary elements you expect in a novel: setting the rural south of the 1920s; a round character bull- dog jean la rue; plot and conflict will she or won't she find 'Love'?; and style, tone, and language woven in the oral tradition of Southern dialect. Yet it's not (a novel, that is)...Perhaps the brilliance of the work is the way bridgforth infuses historical data into humor, sentiment, and lyrical prose, illuminating what it meant to be an African-American butch lesbian living in the South...Truly, what bridgforth has done with this collection, THE BULL-JEAN STORIES, is sure to set a precedent for future storytelling writers. It is a must-have in your repertoire."—Lambda Book Report"

**This Will Be My Undoing** - Morgan Jerkins  
2018-01-30

From one of the fiercest critics writing today, Morgan Jerkins' highly-anticipated collection of linked essays interweaves her incisive commentary on pop culture, feminism, black history, misogyny, and racism with her own experiences to confront the very real challenges of being a black woman today—perfect for fans of Roxane Gay's *Bad Feminist*, Rebecca Solnit's *Men Explain Things to Me*, and Chimamanda Ngozie Adichie's *We Should All Be Feminists*. Morgan Jerkins is only in her twenties, but she has already established herself as an insightful, brutally honest writer who isn't afraid of tackling tough, controversial subjects. In *This Will Be My Undoing*, she takes on perhaps one of the most provocative contemporary topics: What does it mean to "be"—to live as, to exist as—a black woman today? This is a book about black women, but it's necessary reading for all Americans. Doubly disenfranchised by race and gender, often deprived of a place within the mostly white mainstream feminist movement, black women are objectified, silenced, and marginalized with devastating consequences, in ways both obvious and subtle, that are rarely acknowledged in our country's larger discussion about inequality. In *This Will Be My Undoing*, Jerkins becomes both narrator and subject to expose the social, cultural, and historical story of black female oppression that influences the black community as well as the white, male-dominated world at large. Whether she's writing

about Sailor Moon; Rachel Dolezal; the stigma of therapy; her complex relationship with her own physical body; the pain of dating when men say they don't "see color"; being a black visitor in Russia; the specter of "the fast-tailed girl" and the paradox of black female sexuality; or disabled black women in the context of the "Black Girl Magic" movement, Jerkins is compelling and revelatory.

**Conversate is Not a Word** - Jam Donaldson  
2010

Many black men--from Bill Cosby to Michael Eric Dyson--have spoken out about African American society. But where are the voices of the women, especially the young, funny, witty, sarcastic ones? Jam Donaldson offers food for thought, encouraging people to improve their lives as well as the culture overall. Weaving her own warring viewpoints into the discussion, Donaldson provides not only comic relief but a window into the complex, contradictory perspectives existing within every member of the black community.

**The Hottentot Venus** - Rachel Holmes  
2016-05-19

'A significant and timely book ... Holmes has produced a laceratingly powerful story' Frances Wilson, *Literary Review* In 1810 the slave turned showgirl Sarah Baartman, London's most famous curiosity, became its legal cause célèbre. Famed for her exquisite physique - in particular her shapely bottom - she was stared at, stripped, pinched, painted, worshipped and ridiculed. This talented, tragic young South African woman became a symbol of exploitation, colonialism - and defiance. In this scintillating and vividly written book Rachel Holmes traces the full arc of Baartman's extraordinary life for the first time.

**Break Any Woman Down** - Dana Johnson  
2012-10-15

Presents a collection of short stories which feature young black women who discover their identities and emotions through relationships with men.

**Bad Fat Black Girl** - Sesali Bowen 2021-10-05  
"Sesali Bowen is poised to give Black feminism the rejuvenation it needs. Her trendsetting writing and commentary reaches across experiences and beyond respectability. I and so many Black girls still figuring out who they are in this world will gain so much from whatever she has to say."—Charlene A. Carruthers,

activist and author of *Unapologetic: A Black, Queer and Feminist Mandate for Radical Movements* "Sesali perfectly vocalizes the inner dialogue, and daily mantras needed to be a Bad Bitch."—Gabourey Sidibe, actor, director, and author of *This is Just My Face: Try Not To Stare* "A powerful call for a more inclusive and 'real' feminism."—*Publishers Weekly* (starred review) "Bowen writes from an authentic space for Black women who are often left out of feminist conversations due to respectability politics, but who are just as deserving of the same voice and liberation."—*Booklist* (starred review) From funny and fearless entertainment journalist Sesali Bowen, *Bad Fat Black Girl* combines rule-breaking feminist theory, witty and insightful personal memoir, and cutting cultural analysis for an unforgettable, genre-defining debut. Growing up on the south side of Chicago, Sesali Bowen learned early on how to hustle, stay on her toes, and champion other Black women and femmes as she navigated Blackness, queerness, fatness, friendship, poverty, sex work, and self-love. Her love of trap music led her to the top of hip-hop journalism, profiling game-changing artists like Megan Thee Stallion, Lizzo, and Janelle Monae. But despite all the beauty, complexity, and general badassery she saw, Bowen found none of that nuance represented in mainstream feminism. Thus, she coined Trap Feminism, a contemporary framework that interrogates where feminism meets today's hip-hop. *Bad Fat Black Girl* offers a new, inclusive feminism for the modern world. Weaving together searing personal essay and cultural commentary, Bowen interrogates sexism, fatphobia, and capitalism all within the context of race and hip-hop. In the process, she continues a Black feminist legacy of unmatched sheer determination and creative resilience. *Bad bitches: this one's for you.*

**Makes Me Wanna Holler** - Nathan McCall  
1995-01-31

NATIONAL BESTSELLER • One of our most visceral and important memoirs on race in America, this is the story of Nathan McCall, who began life as a smart kid in a close, protective family in a black working-class neighborhood. Yet by the age of fifteen, McCall was packing a gun and embarking on a criminal career that five years later would land him in prison for armed

robbery. In these pages, McCall chronicles his passage from the street to the prison yard—and, later, to the newsrooms of The Washington Post and ultimately to the faculty of Emory University. His story is at once devastating and inspiring, at once an indictment and an elegy. *Makes Me Wanna Holler* became an instant classic when it was first published in 1994 and it continues to bear witness to the great troubles—and the great hopes—of our nation. With a new afterword by the author
