Entanglement: a True Story - Claire Thomas 2014-01-21

If you think having the devil snapping at your heels is scary, its nothing compared to finding Gods calm presence at your back every time you stop to draw breath in your race to escape particularly for a determined

agnostic like Claire. Indeed, His presence is so unnerving and unwelcome that its not until her world crumbles to ashes that she finds the courage to stop running and turn toward Him. Moderately psychic and a most earthbound mystic, Claire has heard the voice of Thomas from the days of earliest childhood, but has worked tirelessly for most of her adult life to shut it out or shout it down until she made that fateful decision. Entanglement is the result of that choice. It describes the pain of surviving the traumatic deaths of four beloved people, finding the courage to walk away from abuse and oppression, and facing the fear of being utterly alone in the world. It also explains how confronting fear, accepting loss, and embracing the unknown and the mystical can create a life of enormous joy and enrichment. It focuses on how having the courage to stay in the not-knowing can be gloriously life-affirming and on how human life on earth is vastly more mysterious than most of us dare to imagine.

Battling Nelson, the Durable Dane - Mark Allen Baker 2016-11-18

Oscar "Battling" Nelson (1882-1954) was perhaps the toughest professional boxer ever to enter the ring. Although a Hall of Fame inductee, Nelson remains a lesser known great of boxing lore. From the beginning of his career at 14, the Danish immigrant presented himself as a man of integrity who never smoked, drank or took a dive. In the ring and in public, Battling Nelson crafted a Renaissance man image as a lightweight champion, reporter, entertainer, real estate mogul, entrepreneur and ladies' man. The first ever champion in his weight class to mount a comeback, he strove to break new ground (even if he wasn't always successful). This book tells the story of a ring legend whose endurance was second to none and whose trilogy with Joe Gans is one of the great rivalries in sports history.

Grief as a Spiritual Practice - Cathérine Denys 2021-11-03

What happens when the love of your life dies after a quarter of a century of an ever-growing, ever-expanding, ever-changing life together? Instead of plunging into the big black hole everybody talks about, Cathérine Denys experienced something totally unexpected that showed her how to live with the grief. Cathérine, whose greatest desire has been to live the most conscious life possible, shares that principle in an inspiring teaching memoir. After revealing how she nearly bypassed the encounter that turned her life around, she shares insight into the unfolding of a relationship as she traveled between Antwerp and Amsterdam, experienced life in a kundalini yoga ashram, and finally moved to Texas. When her husband was diagnosed with an aggressive cancer that eventually took his life, Cathérine details how she navigated amid her grief and used it as the perfect circumstance to take the next step for personal growth and change, while at the same time actualizing a joyful existence. Included are exercises and tools to help others handle their own story of loss and mourning. In this poignant narrative, a woman explores a conscious way of grieving the death of a loved one while sharing wisdom and practical tips to help anyone on the same journey.
