[The Political Songs of England](#) - Thomas Wright 1839

It's a Dog's Life - Shirley Keyes 2013

Nonkilling Global Political Science - Glenn D. Paige 2009

This book is offered for consideration and critical reflection primarily by political science scholars throughout the world from beginning students to professors emeriti. Neither age nor erudition seems to make much difference in the prevailing assumption that killing is an inescapable part of the human condition that must be accepted in political theory and practice. It is hoped that readers will join in questioning this assumption and will contribute further stepping stones of thought and action toward a nonkilling global future.

[The Corfu Trilogy](#) - Gerald Durrell 2016-11-29
National Bestseller: The complete trilogy that inspired Masterpiece production *The Durrells in Corfu* in one volume. The tales of a naturalist and his family, who left England for the Greek island of Corfu—where they interacted with fascinating locals of both human and animal varieties—these memoirs have become beloved bestsellers and inspired the delightful series that aired on PBS television. Included in this three-book collection are: *My Family and Other Animals*: Ten-year-old Gerald Durrell arrives on sun-drenched Corfu with this family and pursues his interest in natural history, making friends with the island's fauna—from toads and tortoises to scorpions and geckos—while reveling in the

joyous chaos of growing up in an unconventional household. *Birds, Beasts and Relatives*: Written after a boyhood spent studying zoology, this memoir is part nature guide, part coming-of-age tale, and all charmingly funny memoir. *The Garden of the Gods*: In the conclusion of the trilogy, Durrell shares more tales of wild animals and his even wilder family, including his mother, Louisa, and his siblings Lawrence, Leslie, and Margo, in the years before World War II.

"[Durrell's] books have an unfailing charm. . . . It is a tribute to his skill that one never tires of his accounts" (Chicago Tribune). This ebook features an illustrated biography of Gerald Durrell including rare photos from the author's estate.

Being sisters is never easy. But when you're as different as Sarah, Cassiopeia, and Lucille, it's even harder! The first is haunted by recurring dreams, the second lives with her head in the clouds, and the last spends most of her time with her cat. Then one day they discover a mysterious photo of their mother pregnant. Where was it taken, and who is the baby? And most importantly, why was this photo hidden away in the depths of the attic? To find out, they'll have to venture into the tangled forest of the Grémillet family secrets!

Dictionnaire général de la langue française du commencement du XVIIe siècle jusqu'à nos jours - Adolphe Hatzfeld 1890

A People Passing Rude - Anthony Cross 2012-11-01

"The essays in this stimulating collection attest to the scope and variety of Russia's influence on British culture. They move from the early nineteenth century -- when Byron sent his hero Don Juan to meet Catherine the Great, and an English critic sought to come to terms with the challenge of Pushkin -- to a series of Russian-themed exhibitions at venues including the Crystal Palace and Earls Court. The collection looks at British encounters with Russian music, the absorption with Dostoevskii and Chekhov, and finishes by shedding light on Britain's engagement with Soviet film."--Back cover.

The Goal - Elle Kennedy 2016-09-26

Get ready for another binge-worthy romance from New York Times and international bestselling author Elle Kennedy! She's good at achieving her goals... College senior Sabrina James has her whole future planned out: graduate from college, kick butt in law school, and land a high-paying job at a cutthroat firm. Her path to escaping her shameful past certainly doesn't include a gorgeous hockey player who believes in love at first sight. One night of sizzling heat and surprising tenderness is all she's willing to give John Tucker, but sometimes, one night is all it takes for your entire life to change. But the game just got a whole lot more complicated Tucker believes being a team player is as important as being the star. On the ice, he's fine staying out of the spotlight, but when it comes to becoming a daddy at the age of twenty-two, he refuses to be a bench warmer. It doesn't hurt that the soon-to-be mother of his child is beautiful, whip-smart, and keeps him on his toes. The problem is, Sabrina's heart is locked up tight, and the fiery brunette is too stubborn to accept his help. If he wants a life with the

woman of his dreams, he'll have to convince her that some goals can only be made with an assist. The Pact - Karina Halle 2014

*The Pact is a full-length, standalone "friends to lovers" contemporary adult romance*It all started with a pinky swear...Linden McGregor is tall, rugged, and gunslinger handsome; a helicopter pilot with a Scottish brogue and charm to spare. He's also one of Stephanie Robson's best friends and has fit into that box for as long as she's known him.Beautiful, funny

and an ambitious businesswoman (with one hell of an ass), Stephanie Robson is one of Linden McGregor's best friends and has fit into that box for as long as he's known her. But some relationships can't be boxed, can't be classified, can't be tamed. Back in their mid-twenties and tired of the competitive hit-or-miss dating scene of San Francisco, Steph and Linden made a pact to marry each other if neither one of them were in a serious relationship by the time they hit thirty. It sounded like fun and games at the time but as the years to thirty tick past and lovers come and go out of their lives, the pact becomes larger than life. Sex is inevitable. Friendships are tested. Hearts are on the line. The pact is about to change everything. Note: due to the dirty talk and sexy times, *The Pact* is not meant for anyone under the age of 18.

Ideologies in Action - Alexandra Jaffe 2013-07-31

In Corsica, spelling contests, road signs, bilingual education bills and Corsican language newscasts leave language planners and ordinary speakers deeply divided over how to define what "counts" as Corsican and how it is connected with cultural identity. In *Ideologies in Action* Alexandra Jaffe explores the complex interrelationship between linguistic ideologies and practices on the French island of Corsica. This detailed exploration of the ideological and political underpinnings of three decades of language planning raises fundamental questions

about what it means to "save" a minority language, and the way in which specific cultural, political and ideological contexts shape the "successes" and "failures" of linguistic engineering efforts. Jaffe's ethnography focuses both on the way dominant language ideologies are inscribed in the everyday experience of ordinary people, as well as how they shape the evolving strategies of language planners trying to revitalize the Corsican language. While Jaffe's analysis demonstrates the pervasive influence of dominant language ideologies on minority language speakers and language planners, she also draws on case studies from everyday discourse, educational practice and public and mediated debates over language issues to develop an ethnographically-grounded perspective on levels of resistance. In the final part of the book she explores the emergence (and the limits) of "radical" genres of resistance found in forms of Corsican language activism and in examples of codeswitching and language mixing in bilingual radio practice. This book contributes to a growing literature on language ideology, and will be of interest to anthropologists, political scientists and linguists interested in the practical and theoretical dimensions of language contact, minority language literacy, bilingual education, and language shift.

From Vocal Poetry to Song - Jean Nicolas De

Surmont 2017-11-23

Although the song is often the subject of monographs, one of its forms remains insufficiently researched: the vocalised song, communicated to the spectator through performance. The study of the song takes one back to the study of vocal practices, from aesthetic objects to forms and to plural styles. To conceive a song means approaching it in its different instances of creation as well as its linguistic diversity. Jean Nicolas De Surmont proposes ways of research and analysis useful to musicians, musicologists, and literary critics alike. In his book he takes up the issue of vocal poetry in addition to examining the theoretic aspects of song objects. Rather than offering an autonomous model of analysis, De Surmont extends the research fields and suggests responses to debates that have involved everyone interested in vocal poetic forms. Dictionary of Word Origins - Joseph T Shipley 2021-10-26

This extensive reference volume presents the etymological history of thousands of English words. The story of how words come to be is the story of how humans think, and how we fashion our civilizations. Words can be the product of long and intertwining histories, migrations from other languages, or new coinages of science or slang. This diversity of origins is part of what gives the English language its beauty and power. In Dictionary of Word Origins, etymologist Joseph T. Shipley provides a fascinating window into the evolution of modern English, from the onomatopoeic aspect of "abash" to the animalistic origins of "zodiac."

Boule et Bill - tome 31 - Graine de cocker -

Verron 2012-12-11T00:00:00+01:00

Jean Roba nous a quittés en 2006 à 73 ans après
avoir animé Boule et Bill pendant plus de 40 ans.

La série a toujours reposé sur des valeurs positives, mettant en avant les petits bonheurs et les grandes joies de l'enfance, l'amitié tendre et sincère qui lie un petit garçon et son chien, les moments partagés avec ses parents, mais aussi l'amour de la nature. L'écologie a été depuis toujours l'un des piliers de la série, symbolisée par les oiseaux qui volètent dans toutes les cases de la série. Depuis 2003, Laurent Verron a repris avec l'appui de Roba l'univers de Boule et Bill dont il partage aussi les valeurs. C'est pourquoi, à sa demande, Boule et Bill sera désormais imprimé sur papier recyclé. Quant aux gags (signés Corbeyran, Veys et Chric), ils ne changent pas, ils sont toujours drôles, tendres, célébrant l'amitié et le rire, la famille et la nature comme aux plus belles heures du journal de Spirou.
