The Perfection Detox - Petra Kolber

2018-08-14

Award-winning fitness professional and consultant shares a practical, accessible program to help women replace destructive perfectionistic mindsets with concrete strategies and life-changing tips. Tired. Stressed.

Overwhelmed. Just one more email, one more meeting with the kid's teacher, oh and lose that last five pounds. Today, women are striving for perfection more than ever--and feeling like failures for not meeting unattainable goals. Health and wellness expert Petra Kolber knows this intimately; as a dancer and fitness professional, she's experienced the ultimately dissatisfying quest for perfection. Her Perfection Detox program helps women to overcome the unhealthy, unproductive demands we place on ourselves--and others. Based on her popular workshops, Kolber's strategies help women to recognize and constructively root out the perfectionistic impulse to be critical of self or others and to harness the power of our own internal resources, willpower, and habits. With simple steps and strategies such as adjusting your internal monologue, cleaning up your vocabulary to include more positive language, becoming a passionist rather than a perfectionist, and more, The Perfection Detox is an essential guide to a healthy, full, authentic life.

[Jurassic Park](#) - Michael Crichton 2012-09-25
#1 NEW YORK TIMES BESTSELLER • From the author of Timeline, Sphere, and Congo, this is

the classic thriller of science run amok that took the world by storm. Nominated as one of America's best-loved novels by PBS's The Great American Read "[Michael] Crichton's dinosaurs are genuinely frightening."—Chicago Sun-Times An astonishing technique for recovering and cloning dinosaur DNA has been discovered. Now humankind's most thrilling fantasies have come true. Creatures extinct for eons roam Jurassic Park with their awesome presence and profound mystery, and all the world can visit them—for a price. Until something goes wrong. . . . In Jurassic Park, Michael Crichton taps all his mesmerizing talent and scientific brilliance to create his most electrifying technothriller. Praise for Jurassic Park "Wonderful . . .

powerful."—The Washington Post Book World "Frighteningly real . . . compelling . . . It'll keep you riveted."—The Detroit News "Full of suspense."—The New York Times Book Review

Twelve Years a Slave - Solomon Northup

2021-01-01

"Having been born a freeman, and for more than thirty years enjoyed the blessings of liberty in a free State—and having at the end of that time been kidnapped and sold into Slavery, where I remained, until happily rescued in the month of January, 1853, after a bondage of twelve years—it has been suggested that an account of my life and fortunes would not be uninteresting to the public." -an excerpt

TALIS 2018 Results (Volume II) Teachers and School Leaders as Valued Professionals - OECD
2020-03-23

This report aims to provide an in-depth analysis of teachers' and school leaders' perceptions of the value of their profession, their work-related well-being and stress, and their satisfaction with their working conditions. It also offers a description of teachers' and school leaders' contractual arrangements, opportunities to engage in professional tasks such as collaborative teamwork, autonomous decision making, and leadership practices.

Setting the Standard for Project Based

Learning - John Larmer 2015-05-26

Project based learning (PBL) is gaining renewed attention with the current focus on college and career readiness and the performance-based emphases of Common Core State Standards, but only high-quality versions can deliver the beneficial outcomes that schools want for their students. It's not enough to just "do projects." Today's projects need to be rigorous, engaging, and in-depth, and they need to have student voice and choice built in. Such projects require careful planning and pedagogical skill. The authors—leaders at the respected Buck Institute for Education—take readers through the step-by-step process of how to create, implement, and assess PBL using a classroom-tested framework. Also included are chapters for school leaders on implementing PBL systemwide and the use of PBL in informal settings. Examples from all grade levels and content areas provide evidence of the powerful effects that PBL can have, including * increased student motivation and preparation for college, careers, and citizenship; * better results on high-stakes tests; * a more satisfying teaching experience; and * new ways for educators to communicate with parents, communities, and the wider world. By successfully implementing PBL, teachers can not only help students meet standards but also greatly improve their instruction and make school a more meaningful place for learning. Both practical and inspirational, this book is an essential guide to creating classrooms and schools where students—and teachers—excel.

Sorted Books - Nina Katchadourian 2013-02-08
Delighting in the look and feel of books, conceptual artist Nina Katchadourian's playful photographic series proves that books' covers—or more specifically, their spines—can speak volumes. Over the past two decades,

Katchadourian has perused libraries across the globe, selecting, stacking, and photographing groupings of two, three, four, or five books so that their titles can be read as sentences, creating whimsical narratives from the text found there. Thought-provoking, clever, and at times laugh-out-loud funny (one cluster of titles from the Akron Museum of Art's research library consists of: Primitive Art/Just

Imagine/Picasso/Raised by Wolves), *Sorted Books* is an enthralling collection of visual poems full of wry wit and bookish smarts.

Keywords for Children's Literature - Philip Nel 2011-06-13

49 original essays on the essential terms and concepts in children's literature

Alderdene - Norris Paul 1890

Bubble Gum Badge - Patrick Stone 2011-07-22

Contents Chapter 1 The Journey begins Chapter 2 Food work Chapter 3 BIMO Training Chapter 4 BIMO Inspections Chapter 5 International BIMO Inspections Chapter 6 Official-Action-Indicated (OAI) Work Chapter 7 Electronic-Records Review Chapter 8 Regional/District Management Issues Preface A few years ago, I put together a collection of my thoughts regarding the US FDA and my personal experiences over 13 years as a field investigator in Texas. Since then I have had the opportunity to experience a world of new opportunities as a consultant, so I thought it was time to revisit the Bubblegum Badge world. Along with a few colleagues, I have added several new sections and have tightened up some of the language and phrasing. It is, as with everything in life, still a work in progress.... As I said in the first edition of this book, I don't intend this book to be either a roasting or a toasting. I hope what it will do is provide a glimpse of what the FDA does well, and what it needs to improve on (as evidenced by audit reports from the Health and Human Services [HHS] Office of Inspector General [OIG]). The name "Bubble Gum Badge," by no means suggests a weak or ineffective organization, rather, it is something my friend from the Imports Division stated during a happy hour we were at in 1999. He put it this way: "If you think that gold FDA badge is going to get you out of trouble, son, you are wrong! It's a Bubble Gum Badge and is more trouble than you have ever

known." Thankfully, I did not get into any real trouble as a young man with a great responsibility to protect and serve. There are many ways to keep harmful products from the US market, and some of which take longer than the proverbial slow boat to China. I was a frontline grunt out in the field, conducting the FDA business of the day. Those twelve years and eight months were some of the most challenging and rewarding moments any one person could ask for. When you sit down to eat today or see your family member take their medications or go into surgery, you can rest assured that at least one of the FDA's finest had at some point in the product's life cycle taken a look to see if it passed inspection. FDA does the work that is most taken for granted and expected as a given by the US public. Your tax dollars were always hard at work when I was on the job, even though it may not have always appeared that way. I would like to thank the FDA for taking me around the world and giving me the best training anyone can ask for in this quality assurance (QA) business (on-the-job training). FDA needs your help and more regulatory authority for biologics, drugs, and devices. Only Congress can grant more FDA authority, and budget battles seem to be the mainstay. Most of the information I reference comes from the public domain site www.fda.gov. The FDA's mission is too important not to be modernized, supported, and innovated. FDA falling behind in modernization would mean lives at risk globally. The oversight of our global health market is waiting. If you want it and qualify, your official gold FDA badge is waiting for you. FDA has mine in a vault next to my government international passport (I have my old decommissioned one). Anyone reading this book can be an FDA Consumer-safety officer (CSO)/investigator. Trust me when I say sixty semester hours of accredited college science and some luck on the computer lottery (usaJobs.opm.gov) and you're in. I would suggest higher than a Bachelor of Science education for entry into bioresearch monitoring. As an ex-FDA recruiter and mentor to many new hire FDA field investigators, I would say a graduate degree or higher also assures your entry to drug and device program field work. So, take a look behind the kitchen, Pharmacy, and hospital operation-room doors with me. Thank you,

global health providers and professionals (all of you)! Thank you, health-care receivers, all of you; without you, there would be no need for health-care products. I think that includes everyone in the world! Thank you for your time and for coming along to take a microscopic view into one of the most unsung agencies. FDA has very little glitz or glamour and I hope you find something you find interesting in this book.

Strong Brands, Strong Relationships - Susan Fournier 2015-06-12

From the editor team of the ground-breaking *Consumer-Brand Relationships: Theory and Practice* comes this new volume. *Strong Brands, Strong Relationships* is a collection of innovative research and management insights that build upon the foundations of the first book, but takes the study of brand relationships outside of traditional realms by applying new theoretical frameworks and considering new contexts. The result is an expanded and better-informed account of people's relationships with brands and a demonstration of the important and timely implications of this evolving sub-discipline. A range of different brand relationship environments are explored in the collection, including: online digital spaces, consumer collectives, global brands, luxury brands, branding in terrorist organizations, and the brand relationships of men and transient consumers. This book attends to relationship endings as well as their beginnings, providing a full life-cycle perspective. While the first volume focused on positive relationship benefits, this collection explores dysfunctional dynamics, adversarial and politically-charged relationships, and those that are harmful to well-being. Evocative constructs are leveraged, including secrets, betrayals, anthropomorphism, lying, infidelity, retaliation, and bereavement. The curated collection provides both a deeper theoretical understanding of brand relationship phenomena and ideas for practical application from experiments and execution in commercial practice. *Strong Brands, Strong Relationships* will be the perfect read for marketing faculty and graduate students interested in branding dynamics, as well as managers responsible for stewarding brands.

[The Fire Next Door](#) - Ted Galen Carpenter
2012-10-09

Since the Mexican government initiated a military offensive against its country's powerful drug cartels in December 2006, some 50,000 people have perished and the drugs continue to flow. In *The Fire Next Door*, Ted Galen Carpenter boldly conveys the growing horror overtaking Mexico and makes the case that the only effective strategy for the United States is to abandon its failed drug prohibition policy, thus depriving drug cartels of financial resources.

The Book of the Knight Zifar - Charles L. Nelson 2021-12-14

The Book of the Knight Zifar (or *Cifar*), Spain's first novel of chivalry, is the tale of a virtuous but unfortunate knight who has fallen from grace and must seek redemption through suffering and good deeds. Because of a curse that repeatedly deprives him of that most important of knightly accoutrements—his horse—Zifar and his family must flee their native India and wander through distant lands seeking to regain their rank and fortune. A series of mishaps divides the family, and the novel follows their separate adventures—alternatively heroic, comic, and miraculous—until at length they are reunited and their honor restored. The anonymous author of *Zifar* based his early fourteenth-century novel on the medieval story of the life of St. Eustacius, but onto this trunk he grafted a surprising variety of narrative types: Oriental tales of romance and magic, biblical stories, moralizing fables popular since the Middle Ages, including several from Aesop, and instructions in the rules of proper knightly conduct. Humor in the form of puns, jokes, and old proverbs also runs through the novel. In particular, the foolish/wise Knave offers a comic contrast to the heroic Knight, whom he must continually rescue through the application of common sense. *Zifar* was to have an important influence on later Spanish literature, and perhaps on Cervantes' great tale of a knight and his squire, *Don Quixote*. All those with an interest in Spanish literature and medieval life will be grateful for Mr. Nelson's excellent translation, which brings to life this extraordinary early novel.

The Dictionary of Body Language - Joe Navarro 2018-08-21

From the world's #1 body language expert* comes the essential book for decoding human

behavior Joe Navarro has spent a lifetime observing others. For 25 years, as a Special Agent for the FBI, he conducted and supervised interrogations of spies and other dangerous criminals, honing his mastery of nonverbal communication. After retiring from the bureau, he has become a sought-after public speaker and consultant, and an internationally bestselling author. Now, a decade after his groundbreaking book *What Every BODY is Saying*, Navarro returns with his most ambitious work yet. *The Dictionary of Body Language* is a pioneering "field guide" to nonverbal communication, describing and explaining the more than 400 behaviors that will allow you to gauge anyone's true intentions. Moving from the head down to the feet, Navarro reveals the hidden meanings behind the many conscious and subconscious things we do. Readers will learn how to tell a person's actual feelings from subtle changes in their pupils; the lip behaviors that betray concerns or hidden information; the many different varieties of arm posturing, and what each one means; how the position of our thumbs when we stand akimbo reflects our mental state; and many other fascinating insights to help you both read others and change their perceptions of you. Readers will turn to *The Dictionary Body Language* again and again—a body language bible for anyone looking to understand what their boss really means, interpret whether a potential romantic partner is interested or not, and learn how to put themselves forward in the most favorable light. *GlobalGurus.org

Understanding Digital Marketing - Damian Ryan 2012-03-03

Digital marketing now represents 25% of the marketing spend in the UK and this is predicted to move to 50% or higher within the next three years. *Understanding Digital Marketing* looks at the world of digital marketing: how it got started, how it got to where it is today, and where the thought leaders in the industry believe it is headed in the future. This authoritative title demonstrates how to harness the power of digital media and use it to achieve the utmost success in business, now and in the future. *Understanding Digital Marketing* deals with every key topic in detail, including: search marketing, social media, Google, mobile marketing, affiliate marketing, e-mail marketing,

customer engagement and digital marketing strategies. Essential reading for both practitioners and students alike, and including real-world examples of digital marketing successes and expert opinions, *Understanding Digital Marketing* provides you with tools to utilize the power of the internet to take your company wherever you want it to go.

Free - Chris Anderson 2009-07-07

The online economy offers challenges to traditional businesses as well as incredible opportunities. Chris Anderson makes the compelling case that in many instances businesses can succeed best by giving away more than they charge for. Known as "Freemium," this combination of free and paid is emerging as one of the most powerful digital business models. In *Free*, Chris Anderson explores this radical idea for the new global economy and demonstrates how it can be harnessed for the benefit of consumers and businesses alike. In the twenty-first century, *Free* is more than just a promotional gimmick: It's a business strategy that is essential to a company's successful future. Download the audiobook of *Free* for free! Details inside the book.

Capitalism, Socialism, and Democracy (Second Edition Text) - Joseph Alois Schumpeter 2018-04-03

Space Time Play - Friedrich von Borries 2007-09-14

Computer and video games are leaving the PC and conquering the arena of everyday life in the form of mobile applications—the result is new types of cities and architecture. How do these games alter our perception of real and virtual space? What can the designers of physical and digital worlds learn from one another?

Excess Baggage - Richa S Mukherjee 2020-12-22

Lately, Anviksha Punjabi can't seem to get anything right. She is in the middle of ending her second marriage, is barely keeping any friends, and repeatedly getting into trouble at work. And as if all that weren't enough, she must put up with her gregarious and over-bearing 67-year-old mother as a housemate. Afraid that if this goes on, she'll finally unravel completely, Anviksha decides that she needs a break - a Bollywood style, solo-trip across Europe kind of

break. What she doesn't expect is that her mother, Smita Punjabi, will insist on coming along. The unlikely duo embarks on a journey complete with nudists, an unwelcome blast from the past, a British dog named Bhindi, and several eligible bachelors, and slowly, what was supposed to be a soul-searching journey for one, turns into a life-altering experience for two.

The Oxford Handbook of Lexicography - Philip Durkin 2016

This volume provides concise, authoritative accounts of the approaches and methodologies of modern lexicography and of the aims and qualities of its end products. Leading scholars and professional lexicographers, from all over the world and representing all the main traditions and perspectives, assess the state of the art in every aspect of research and practice. The book is divided into four parts, reflecting the main types of lexicography. Part I looks at synchronic dictionaries - those for the general public, monolingual dictionaries for second-language learners, and bilingual dictionaries. Part II and III are devoted to the distinctive methodologies and concerns of the historical dictionaries and specialist dictionaries respectively, while chapters in Part IV examine specific topics such as description and prescription; the representation of pronunciation; and the practicalities of dictionary production. The book ends with a chronology of the major events in the history of lexicography. It will be a valuable resource for students, scholars, and practitioners in the field.

Critical Etymological Dictionary of the Spanish Language - J. Corominas 1980-01-01

The Acharnians - Aristophanes 1887

Única Looking at the Sea - Fernando Contreras Castro 2018

Fiction. Latino/Latina Studies. Inside the great landfill at Río Azul, Única and her friends, her family, society's cast-offs, struggle to survive on what those in the city throw away. This story of the "divers" (buzos), the community of Western untouchables who live in landfills and dumps, immediately made Fernando Contreras Castro famous in his native Costa Rica and around Latin America. Now available in English for the first time in Elaine S. Brooks' translation, ÚNICA

LOOKING AT THE SEA tells the story of an underclass invisible to the urban bourgeoisie who produce the trash they eke out a living from, a story no less pertinent in the US and the rest of the English-speaking world than it is in Latin America.

The Throne of Fire - Rick Riordan 2011-05-03

In this exciting second installment of the three-book series, Carter and Sadie, offspring of the brilliant Egyptologist Dr. Julius Kane, embark on a worldwide search for the Book of Ra, but the House of Life and the gods of chaos are determined to stop them.

The Lost World - Michael Crichton 2012-10-30
#1 NEW YORK TIMES BESTSELLER • From the author of *Timeline*, *Sphere*, and *Congo* comes the sequel to the smash-hit *Jurassic Park*, a thriller that's been millions of years in the making. "Fast and gripping."—The Washington Post Book World It is now six years since the secret disaster at *Jurassic Park*, six years since the extraordinary dream of science and imagination came to a crashing end—the dinosaurs destroyed, the park dismantled, and the island indefinitely closed to the public. There are rumors that something has survived. . . .

"Harrowing thrills . . . fast-paced and engaging."—People "A very scary read."—Entertainment Weekly "Action-packed."—New York Daily News "An edge-of-the-seat tale."—St. Petersburg Times

I Will Survive - Gloria Gaynor 2014-03-11

I Will Survive is the story of Gloria Gaynor, America's "Queen of Disco." It is the story of riches and fame, despair, and finally salvation. Her meteoric rise to stardom in the mid-1970s was nothing short of phenomenal, and hits poured forth that pushed her to the top of the charts, including "Honey Bee," "I Got You Under My Skin," "Never Can Say Goodbye," and the song that has immortalized her, "I Will Survive," which became a #1 international gold seller. With that song, Gloria heralded the international rise of disco that became synonymous with a way of life in the fast lane - the sweaty bodies at Studio 54, the lines of cocaine, the indescribable feeling that you could always be at the top of your game and never come down. But down she came after her early stardom, and problems followed in the wake, including the death of her mother, whose love had anchored the young

singer, as well as constant battles with weight, drugs, and alcohol. While her fans always imagined her to be rich, her personal finances collapsed due to poor management; and while many envied her, she felt completely empty inside. In the early 1980s, sustained by her marriage to music publisher Linwood Simon, Gloria took three years off and reflected upon her life. She visited churches and revisited her mother's old Bible. Discovering the world of gospel, she made a commitment to Christ that sustains her to this day.

Fame Attack - Chris Rojek 2012-04-10

The follow up to the hugely successful 'Celebrity', this is an analysis of what celebrity culture is today. In 2001, the phenomenon of Jade Goody and reality TV shows was in its infancy. Now, Rojek explores celebrity engineering, technologies of fame creation and issues of loneliness and uncertainty. It is set to become the benchmark in the field.

The Business Process Management Guidebook - Forrest W. Breyfogle, III 2014-09-16

The Social Comedy ... - 1906

Saddlebag - Bahiyyih Nakhjavani 2001-09-22

A beautifully told, transcendent tale of truth, salvation, and the power of desire.

XOOOOX - XOOOOX. 2012

The first monograph on Germany's most popular street artist. xoooox was the first German street artist to come to prominence on the international art market. His prints have been shown in numerous international exhibitions and sold at auction. This book is xoooox's first monograph. It focuses mainly on his portraits of female models that he prefers to stencil or wheat-paste onto surfaces of older buildings scarred by the passage of time. The contrast between the strikingly beautiful women and the crumbling walls is a fundamental aspect of his creative vision. Other work featured in xoooox is a clever critique of consumer culture. For example, the artist reinterprets logos of brands such as Hermés or Chanel to make people aware of how easily dazzled they can be by the superficial promise of luxury. Or he morphs an H&M logo into the letters HIV as a statement against the leveling effect of global clothing brands that are spreading around the world like

a virus. The documentation of xoooo's work on the street is complemented by photographs of select exhibitions and of the artist at work. The book is edited by Benjamin Wolbergs, an author and photographer who specializes in subjects related to urban art.

The New Politics of Masculinity - Fidelma Ashe
2007-11-30

Annotation Explores the new politics of masculinity and gender identity, examining the contemporary discourses of masculinity by focusing on male pro-feminist movements and locating them within the context of feminist debates.

Manny Man Does the History of Ireland -

John D. Ruddy 2016-10-28

Why did the Celts love stealing cows? What was the Norman invasion & why were they all called Norman? With clarity and hilarity, John D. Ruddy turns Ireland's tumultuous history into a fun and easy to understand story. Color illustrations throughout.

Gordo - Jaime Cortez 2021-08-10

Shedding profound natural light on the inner lives of migrant workers, Jaime Cortez's debut collection ushers in a new era of American literature that gives voice to a marginalized generation of migrant workers in the West. The first-ever collection of short stories by Jaime Cortez, *Gordo* is set in a migrant workers camp near Watsonville, California in the 1970s. A young, probably gay, boy named Gordo puts on a wrestler's mask and throws fists with a boy in the neighborhood, fighting his own tears as he tries to grow into the idea of manhood so imposed on him by his father. As he comes of age, Gordo learns about sex, watches his father's drunken fights, and discovers even his own documented Mexican-American parents are wary of illegal migrants. Fat Cookie, high schooler and resident artist, uses tiny library pencils to draw huge murals of graffiti flowers along the camp's blank walls, the words "CHICANO POWER" boldly lettered across, until she runs away from home one day with her mother's boyfriend, Manny, and steals her mother's Panasonic radio for a final dance competition among the camp kids before she disappears. And then there are Los Tigres, the perfect pair of twins so dark they look like indios, Pepito and Manuel, who show up at Gyrich Farms every

season without fail. Los Tigres, champion drinkers, end up assaulting each other in a drunken brawl, until one of them is rushed to the emergency room still slumped in an upholstered chair tied to the back of a pick-up truck. These scenes from Steinbeck Country seen so intimately from within are full of humor, family drama, and a sweet frankness about serious matters - who belongs to America and how are they treated? How does one learn decency, when laborers, grown adults, must fear for their lives and livelihoods as they try to do everything to bring home a paycheck? Written with balance and poise, Cortez braids together elegant and inviting stories about life on a California camp, in essence redefining what all-American means.

Learning Qlik Sense®: The Official Guide -

Christopher Ilacqua 2015-12-24

Get the most out of your Qlik Sense investment with the latest insight and guidance direct from the Qlik Sense team About This Book Updated with new coverage on Qlik Cloud, Qlik Sense Modeling, and Extending the Qlik Analytic Platform. This is an example-rich, step-by-step book to implement and optimize Qlik Sense for sales, human resources, and demographic data discovery.

The Evolution of Claire - Tess Sharpe
2018-06-26

Fans can discover the beginnings of one of "Jurassic World's" most beloved characters-- Claire Dearing (played by Bryce Dallas Howard)--in this original action-packed novel that fills in the gaps of Claire's past.

Thoughts of a 87 Year Old - Cinder Publishing
2019-09-09

This 87 Year Old Birthday Journal / Diary / Notebook makes an awesome unique birthday card / greeting card idea as a present! This journal is 6 x 9 inches in size with 110 blank lined pages with a white background theme for writing down thoughts, notes, ideas, or even sketching.

Personality: Classic Theories And Modern Research, 3/E - Friedman 2008-09

New Geographies of Abstract Art in Postwar Latin America - Mariola V. Alvarez 2021-03-31
This edited volume examines the history of abstract art across Latin America after 1945.

The book aims to expand the map and consider this phenomenon as it developed in neglected regions such as Central America, the Caribbean, and the Andes, investigating how this style came to stand in for Latin American contemporary art.

Timeline of World History - Matt Baker
2020-10-20

Chart the course of history through the ages with this collection of oversize foldout charts and timelines. Timeline of World History is a unique work of visual reference from the founders of the Useful Charts website that puts the world's kingdoms, empires, and civilizations in context with one another. A giant wall chart shows the timelines and key events for each region of the world, and four additional foldout charts display the history of the Americas, Europe, Asia and the Pacific, and Africa and the Middle East. Packed with maps, diagrams, and images, this book captures the very essence of our shared history. *ABC of Cancer Care* - Carlo Palmieri 2013-05-30
ABC of Cancer Care is a practical primary care guide to help health professionals better inform their patients, manage and recognize the common complications of cancers and their treatment, and understand the rationale and implications of decisions made in secondary and tertiary care. It provides coverage of the diagnosis, management, treatment and on-going surveillance of common cancers within the multidisciplinary context of primary care. Individual chapters assess the different treatment options, including surgery, radiotherapy and chemotherapy, and examine their possible side effects. The contribution of clinical trials and new advances in cancer treatment including biological and targeted therapies, robotic surgery and advanced radiotherapy techniques are all described. Other aspects of cancer care, from nursing support and nutrition to psychological care and survivorship, are also covered. Edited by a specialist and general practitioner team, with multidisciplinary contributors, *ABC of Cancer Care* is ideal for general practitioners, practice nurses, cancer care nurses, medical students, and all healthcare professionals treating and supporting cancer patients. This title is also available as a mobile App from MedHand Mobile Libraries. Buy it now from iTunes, Google Play or the MedHand Store.
