[Releasing The Black Veil](#) - Shaquida Clark

Releasing The Black Veil...Her Voice Must Be Heard is about the journey of a young woman walking in faith despite the numerous trials and tribulations in which life has thrown her way. A story for telling the strength to release the black veil over her life. This young woman is me. Have you ever felt like you were trapped in life and couldn't see your way out. This is the introduction of a woman of faith finding her way in the Lord. Along this journey I have learned many lessons. I discovered the meaning of walking by faith and not by sight. As you read through my story, and get a glimpse of my journey, my prayer is that it allows you to see the heart of God. That as you go through this journey of my life you see yourself and can also allow God to assist you in areas where your faith is weakened. For faith comes through hearing God's Word. The closer I got to God, the more His word gave me new life and the release was taking place in every area of my life. It was by His Word that I learned the truth of it all. No matter what you face and have to endure in this life, while on earth be sure to let God lead you every step of the way. Allow God to show you the fruitfulness there of what He has for you. The veil does come off when God enters into your heart. When God enters in there is a release that overcomes and takes away everything holding you bound. May this book give you comfort in trusting God and allowing Him to have all of you. With God is how I learned to stand strong and

walk alone through my journey to release the black veil. Once the veil was released I could see the light of it all. With God is where I found love, and where I found Jesus. God is the only way to release darkness and turn it into light.

2021-01-08

'All in the Family' quickly did more than become a top-rated, Emmy Award-winning series that promoted a positive, progressive agenda. This revolutionary show about a reactionary man helped foster an openness in culture. It transformed the very nature of what could be broadcast into our homes, and paved the way for other shows with working-class as well as racially diverse protagonists. During 'All in the Family's nine seasons on CBS, creators Norman Lear and Bud Yorkin used their series as a televised soapbox to masterfully portray the upheavals and concerns racking the United States. Half a century later, its humor and message remain prescient, as it plumbs problems that still vex our families and society, and seeks to understand and explain the very soul of America.
