Classic Keys - Alan S. Lenhoff 2019-12-09

Classic Keys is a beautifully photographed and illustrated book focusing on the signature rock keyboard sounds of the 1950s to the early 1980s. It celebrates the Hammond B-3 organ, Rhodes and Wurlitzer electric pianos, the Vox Continental and Farfisa combo organs, the Hohner Clavinet, the Mellotron, the Minimoog and other famous and collectable instruments. From the earliest days of rock music, the role of keyboards has grown dramatically. Advancements in electronics created a crescendo of musical invention. In the thirty short years between 1950 and 1980, the rock keyboard went from being whatever down-on-its-luck piano awaited a band in a bar or concert hall to a portable digital orchestra. It made keyboards a centerpiece of the sound of many top rock bands, and a handful of them became icons of both sound and design. Their sounds live on: Digitally, in the memory chips of modern keyboards, and in their original form thanks to a growing group of musicians and collectors of many ages and nationalities. Classic Keys explores the sound, lore, and technology of these iconic instruments, including their place in the historical development of keyboard instruments, music, and the international keyboard instrument industry. Twelve significant instruments are presented as the chapter foundations, together with information about and comparisons with more than thirty-six others. Included are short profiles of modern musicians, composers, and others who collect, use, and prize these instruments years after they went out of production. Both authors are avid musicians, collect and restore vintage keyboards, and are well-known and respected in the international community of web forums devoted to these instruments.

Twilight of the Gods - Steven Hyden 2018-05-08

National Bestseller * Named one of Rolling Stone's Best Music Books of 2018 * One of Newsweek's 50 Best Books of 2018 * A Billboard Best of 2018 * A New York Times Book Review "New and Noteworthy" selection

The author of the critically acclaimed *Your Favorite Band is Killing Me* offers an eye-opening exploration of the state of classic rock, its past and future, the impact it has had, and what its loss would mean to an industry, a culture, and a way of life. Since the late 1960s, a legendary cadre of artists—including the Rolling Stones, Bob Dylan, Neil Young, Bruce Springsteen, Fleetwood Mac, the Eagles, Black Sabbath, and the Who—has revolutionized popular culture and the sounds of our lives. While their songs still get airtime and some of these bands continue to tour, its idols are leaving the stage permanently. Can classic rock remain relevant as these legends die off, or will this major musical subculture fade away as many have before, Steven Hyden asks. In this mix of personal memoir, criticism, and journalism, Hyden stands witness as classic rock reaches the precipice. Traveling to the eclectic places where geriatric rockers are still making music, he talks to the artists and fans who have aged with them, explores the ways that classic rock has changed the culture, investigates the rise and fall of classic rock radio, and turns to live bootlegs, tell-all rock biographies, and even the liner notes of rock's greatest masterpieces to tell the story of what this music meant, and how it will be remembered, for fans like himself. *Twilight of the Gods* is also Hyden's story. Celebrating his love of this incredible music that has taken him from adolescence to fatherhood, he ponders two essential questions: Is it time to give up on his childhood heroes, or can this music teach him about growing old with his hopes and dreams intact? And what can we all learn from rock gods and their music—are they ephemeral or eternal?

Every Night's a Saturday Night - Bobby Keys 2012-03-01

Born in Slaton, Texas, Bobby Keys has lived the kind of life that qualifies as a rock 'n' roll folktale. In his early teens, Keys bribed his way into Buddy Holly's garage band rehearsals. He took up the saxophone because it was the only instrument left unclaimed in the school band, and he convinced his grandfather to sign his guardianship over to Crickets drummer J.I. Allison so that he could go on tour as a teenager. Keys spent years on the road during the early days of rock 'n' roll with hitmakers like Bobby Vee and the various acts on Dick Clark's Caravan of Stars Tour, followed by decades as top touring and session sax man for the likes of Mad Dogs and Englishmen, George Harrison, John Lennon, and onto his gig with The Rolling Stone from 1970 onward. *Every Night's a Saturday Night* finds Keys setting down the many tales of an

over-the-top rock 'n' roll life in his own inimitable voice. Augmented by exclusive contributions with famous friends like Keith Richards, Joe Crocker, and Jim Keltner, *Every Night's a Saturday Night* paints a unique picture of the coming-of-age of rock 'n' roll.
