The Three Mothers - Anna Malaika Tubbs
2021-02-02

"Tubbs' connection to these women is palpable on the page — as both a mother and a scholar of the impact Black motherhood has had on America. Through Tubbs' writing, Berdis, Alberta, and Louise's stories sing. Theirs is a history forgotten that begs to be told, and Tubbs

tells it brilliantly." — Ibram X. Kendi, #1 New York Times bestselling author of How to Be an Antiracist and National Book Award winner Stamped from the Beginning Much has been written about Berdis Baldwin's son James, about Alberta King's son Martin Luther, and Louise Little's son Malcolm. But virtually nothing has been said about the extraordinary women who

raised them. In her groundbreaking and essential debut *The Three Mothers*, scholar Anna Malaika Tubbs celebrates Black motherhood by telling the story of the three women who raised and shaped some of America's most pivotal heroes. born at the beginning of the 20th century and forced to contend with the prejudices of Jim Crow as Black women. These three extraordinary women passed their knowledge to their children with the hope of helping them to survive in a society that would deny their humanity from the very beginning—from Louise teaching her children about their activist roots, to Berdis encouraging James to express himself through writing, to Alberta basing all of her lessons in faith and social justice. These women used their strength and motherhood to push their children toward greatness, all with a conviction that every human being deserves dignity and respect despite the rampant discrimination they faced. These three mothers taught resistance and a fundamental belief in the worth of Black people to their sons, even when these beliefs flew in the face of America's racist practices and led to ramifications for all three families' safety. The fight for equal justice and dignity came above all else for the three

mothers. These women, their similarities and differences, as individuals and as mothers, represent a piece of history left untold and a celebration of Black motherhood long overdue.

Black British Women's Theatre - Nicola Abram
2020-10-12

This book marks a significant methodological shift in studies of black British women's theatre: it looks beyond published plays to the wealth of material held in archives of various kinds, from

national repositories and themed collections to individuals' personal papers. It finds there a cache of unpublished manuscripts and production recordings distinctive for their non-naturalistic aesthetics. Close analysis of selected works identifies this as an intersectional feminist creative practice. Chapters focus on five theatre companies and artists, spanning several decades: Theatre of Black Women (1982-1988), co-founded by Booker Prize-winning writer Bernardine Evaristo; Munirah Theatre Company (1983-1991); Black Mime Theatre Women's Troop (1990-1992); Zindika; and SuAndi. The book concludes by reflecting on the politics of representation, with reference to popular postmillennial playwright debbie tucker green. Drawing on new interviews with the playwrights/practitioners and their peers, this book assembles a rich, interconnected, and occasionally corrective history of black British women's creativity. By reproducing 22 facsimile images of flyers, production programmes,

photographs and other ephemera, Black British Women's Theatre: Intersectionality, Archives, Aesthetics not only articulates a hidden history but allows its readers their own encounter with the fragile record of this vibrant past.

Black Women Filmmakers and Black Love on Screen - Brandale N. Mills 2018-11-20

This book offers a thorough analysis of how romantic love between Black men and women (referred to here as Black Love) is portrayed in Hollywood films, specifically from the perspective of Black female filmmakers. Using historical and contemporary images of Black female representation in the media as a foundation, the main themes of this text focus on the male gazes' influence on Hollywood narratives, the necessity for the Black female perspective in Hollywood, and that perspective's influence on ideologies and narratives.

For Black Girls Like Me - Mariama J. Lockington 2019-07-30

In this lyrical coming-of-age story about family,

sisterhood, music, race, and identity, Mariama J. Lockington draws on some of the emotional truths from her own experiences growing up with an adoptive white family. I am a girl but most days I feel like a question mark. Makeda June Kirkland is eleven years old, adopted, and black. Her parents and big sister are white, and even though she loves her family very much, Makeda often feels left out. When Makeda's family moves from Maryland to New Mexico, she leaves behind her best friend, Lena— the only other adopted black girl she knows— for a new life. In New Mexico, everything is different. At home, Makeda's sister is too cool to hang out with her anymore and at school, she can't seem to find one real friend. Through it all, Makeda can't help but wonder: What would it feel like to grow up with a family that looks like me? Through singing, dreaming, and writing secret messages back and forth with Lena, Makeda might just carve a small place for herself in the world. For *Black Girls Like Me* is for anyone who

has ever asked themselves: How do you figure out where you are going if you don't know where you came from?

Black Theology in Britain - Michael N. Jagessar 2016-04-08

Black theology as a discipline emerged in 1960s America, growing out of the experiences of Black people of the African Diaspora as they sought to re-interpret the central ideas of Christianity in light of struggle and oppression. However, a form of Black theology has been present in Britain since the time of slavery. 'Black Theology in Britain' offers the first comprehensive survey of Black theology, tracing its development in Britain from the eighteenth century to today. The essays cover a wide range of topics: Black Liberation; drama as a medium for Black theology; the perspective of Black women; Black theology in the pulpit and pastoral

care; and the work of Robert Beckford and Anthony Reddie. 'Black Theology in Britain' is a key resource for students of British history, cultural studies, Black theology, and religious studies.

Thick - Tressie McMillan Cottom 2018-01-08
One of Book Riot's "The Best Books We Read in October 2018" "To say this collection is transgressive, provocative, and brilliant is simply to tell you the truth." —Roxane Gay, author of *Hunger* and *Bad Feminist* Smart, humorous, and strikingly original essays by one of "America's most bracing thinkers on race, gender, and capitalism of our time" (Rebecca Traister) In these eight piercing explorations on beauty, media, money, and more, Tressie McMillan Cottom—award-winning professor and acclaimed author of *Lower Ed*—embraces her venerated

role as a purveyor of wit, wisdom, and Black Twitter snark about all that is right and much that is wrong with this thing we call society. Ideas and identity fuse effortlessly in this vibrant collection that on bookshelves is just as at home alongside Rebecca Solnit and bell hooks as it is beside Jeff Chang and Janet Mock. It also fills an important void on those very shelves: a modern black American feminist voice waxing poetic on self and society, serving up a healthy portion of clever prose and southern aphorisms as she covers everything from Saturday Night Live, LinkedIn, and BBQ Becky to sexual violence, infant mortality, and Trump rallies. Thick speaks fearlessly to a range of topics and is far more genre-bending than a typical compendium of personal essays. An intrepid intellectual force hailed by the likes of Trevor Noah, Chimamanda Ngozi Adichie, and Oprah, Tressie McMillan Cottom is “among America’s most bracing thinkers on race, gender, and capitalism of our time” (Rebecca Traister). This stunning debut

collection—in all its intersectional glory—mines for meaning in places many of us miss, and reveals precisely how the political, the social, and the personal are almost always one and the same.

Beyond the Black Door - A.M. Strickland
2019-10-29

Beyond the Black Door is a young adult dark fantasy about unlocking the mysteries around and within us—no matter the cost... Everyone has a soul. Some are beautiful gardens, others are frightening dungeons. Soulwalkers—like Kamai and her mother—can journey into other people's souls while they sleep. But no matter where Kamai visits, she sees the black door. It follows her into every soul, and her mother has told her to never, ever open it. When Kamai touches the door, it is warm and beating, like it has a pulse. When she puts her ear to it, she

hears her own name whispered from the other side. And when tragedy strikes, Kamai does the unthinkable: she opens the door. A.M.

Strickland's imaginative dark fantasy features court intrigue and romance, a main character coming to terms with her asexuality, and twists and turns as a seductive mystery unfolds that endangers not just Kamai's own soul, but the entire kingdom ... An Imprint Book "I couldn't put down this deliciously dark dream of a fantasy." —New York Times bestselling author Lisa Maxwell "A dark delight, gorgeously written and as twisty and enigmatic as a labyrinth at twilight. Single Black Female - Tracy Brown 2021-11-02

Tracy Brown's *Single Black Female* is a taut, edgy, deftly spun novel about four friends grappling with the dramatic twists and turns of life, love and what it means to "make it" in America. Ivy Donovan is a successful stylist, entrepreneur, and single mom who has been loyal to her sons' father, Michael, who's serving a lengthy prison sentence. But life has gotten lonely over the years, and Ivy wants more for herself. Michael, however, isn't about to lose his family. Coco Norris is well-off, single, childless, and struggling with her allegiance to emotionally unavailable men. When she finds a man who seems like he can give her everything she has ever wanted, Coco soon discovers that she has

taken on more than she can possibly handle. Deja Maddox is a real estate agent who is married to Bobby, a police sergeant with the NYPD. They have assimilated, looking down on anything that doesn't fit their buttoned-up, polished life. But Deja isn't as satisfied as she would like everyone to believe. When Deja's past returns with a vengeance, she's forced to face herself as her "perfect" life begins to crumble. Nikki Diamond is a savvy, self-made businesswoman and social media darling who lives large and with no regrets. She's also Deja's little sister and thinks her sister can have so much more than her ho-hum marriage. And Nikki is all too happy to lend a "helping" hand to make that happen. Things come to a head when Ivy's youngest son, Kingston, is caught up in a polarizing encounter with the NYPD. Everyone must figure out where they stand, including Bobby, who suddenly has to decide if his "blue life" matters more to him than his Black life and the Black lives of those he loves. Single Black

Female highlights the nuances of Black love, the often tested bonds of Black families, what it means to face the world as a Black man and the joy and pain of being a Black woman.

There are just a few problems: he’s in prison, and she doesn’t know what he did to end up there. She doesn’t know how to deal with the incessant worries that keep her up at night, or how to handle the changes in her body that draw unwanted attention from men. In her search for unconditional love, Ashley begins dating a boy her mother hates. When the relationship turns sour, he assaults her. Still reeling from the rape, which she keeps secret from her family, Ashley desperately searches for meaning in the chaos.

Then, her grandmother reveals the truth about her father’s incarceration . . . and Ashley’s entire world is turned upside down. Anything for You - Saul Black 2019-11-12

Critically acclaimed author Saul Black returns with a heart-racing thriller in which a brutal murder forces one woman to reckon with her own past—and her future. On a hot summer night, a watchful neighbor locks eyes with an intruder and unwittingly alerts the police to a vicious crime scene next door: a lavish master bedroom where a man lies dead. Next to him, his wife is bleeding out onto the hardwood floor, clinging to life. The victim, Adam Grant, was a well-known San Francisco prosecutor—a man whose connection to Homicide detective Valerie Hart brings her face-to-face with a life she's long since left behind. Adam's career made him an

easy target, and forensic evidence points towards an ex-con he put behind bars years ago. But while Adam's wife and daughter grapple with their tragic loss, Valerie uncovers devastating clues that point in a more ominous direction. Lurking in the shadows of the Grants' pristine life is a mysterious blonde who holds the key to a very different—and much darker—story. As Valerie struggles to forge a new path for herself, the investigation forces her to confront the question: can we ever really leave our pasts behind? Sophisticated and stunning, *Anything for You* is an unforgettable thriller that will grip readers long after turning the last page.

This Is Her Century - Doaa Abdelhafez Hamada
2014-07-24

This book is a study of the works of Margaret Walker (1915–1998) in chronological order, in the social and intellectual context of twentieth century America. Walker is a writer who is known by name for her works; however, very little criticism is written on her literary contributions. This is the first monograph on Walker's work by a single author and is an attempt to establish the importance of Walker's representation of twentieth-century America against its critical obscurity. This book shows that Walker is a woman writer who slipped to the margins of the African American literary canon for improper reasons. Material presented in this study is based on research on available criticism published on Walker's work. It is also based on research on the social, intellectual, and political aspects of twentieth-century America. This text also incorporates information derived from the researcher's close reading of Walker's

work. It argues that issues of race, gender, and class are always connected in twentieth-century America and in Walker's work as reflective of this century in America. It also argues that Walker's feminist consciousness develops from one work to another until it reaches its peak in her later poetry.

Heart Berries - Terese Marie Mailhot
2018-02-13

A powerful, poetic memoir of an Indigenous woman's coming of age on the Seabird Island Band in the Pacific Northwest—this New York Times bestseller and Emma Watson Book Club pick is “an illuminating account of grief, abuse and the complex nature of the Native experience . . . at once raw and achingly beautiful (NPR). Having survived a profoundly dysfunctional upbringing only to find herself hospitalized and facing a dual diagnosis of post traumatic stress disorder and bipolar II disorder, Terese Marie Mailhot is given a notebook and begins to write her way out of trauma. The triumphant result is

Heart Berries, a memorial for Mailhot's mother, a social worker and activist who had a thing for prisoners; a story of reconciliation with her father—an abusive drunk and a brilliant artist—who was murdered under mysterious circumstances; and an elegy on how difficult it is to love someone while dragging the long shadows of shame. Mailhot trusts the reader to understand that memory isn't exact, but melded to imagination, pain, and what we can bring ourselves to accept. Her unique and at times unsettling voice graphically illustrates her mental state. As she writes, she discovers her own true voice, seizes control of her story, and, in so doing, reestablishes her connection to her family, to her people, and to her place in the world.

Her Country - Marissa R. Moss 2022-05-10
The full and unbridled inside story of the last twenty years of country music through the lens of Maren Morris, Mickey Guyton, and Kacey Musgraves—their peers and inspirations, their

paths to stardom, and their battles against a deeply embedded boys' club, as well as their efforts to transform the genre into a more inclusive place for all (and not just white men in trucker hats), as told by award-winning Nashville journalist Marissa R. Moss. It was only two decades ago, but, for the women of country music, 1999 seems like an entirely different universe. With Shania Twain, country's biggest award winner and star, and The Chicks topping every chart, country music was a woman's world: specifically, country radio and Nashville's Music Row. Cut to 2021, when women are only played on country radio 16% of the time, on a good day, and when only men have won Entertainer of the Year at the CMA Awards for a decade. To a world where artists like Kacey Musgraves sell out arenas but barely score a single second of airplay. But also to a world where these women are infinitely bigger live draws than most male counterparts, having massive pop crossover hits like Maren Morris's

"The Middle," pushing the industry to confront its deeply embedded racial biases with Mickey Guyton's "Black Like Me," winning heaps of Grammy nominations, banding up in supergroups like The Highwomen and taking complete control of their own careers, on their own terms. When the rules stopped working for the women of country music, they threw them out and made their own: and changed the genre forever, and for better. Her Country is veteran Nashville journalist Marissa R. Moss's story of how in the past two decades, country's women fought back against systems designed to keep them down, armed with their art and never willing to just shut up and sing: how women like Kacey, Mickey, Maren, The Chicks, Miranda Lambert, Rissi Palmer, Brandy Clark, LeAnn Rimes, Brandi Carlile, Margo Price and many more have reinvented the rules to find their place in an industry stacked against them, how they've ruled the century when it comes to artistic output—and about how women can and

do belong in the mainstream of country music, even if their voices aren't being heard as loudly.

Carefree Black Girls - Zeba Blay 2021-10-19

An empowering and celebratory portrait of Black women—from Josephine Baker to Aunt Viv to Cardi B. "Powerful... Calling for Black women (in and out of the public eye) to be treated with empathy, Blay's pivotal work will engage all readers, especially fans of Mikki Kendall's Hood Feminism." —Kirkus (Starred) In 2013, film and culture critic Zeba Blay was one of the first people to coin the viral term #carefreeblackgirls on Twitter. As she says, it was "a way to carve out a space of celebration and freedom for Black women online." In this collection of essays, *Carefree Black Girls*, Blay expands on this initial idea by delving into the work and lasting achievements of influential Black women in American culture--writers, artists, actresses, dancers, hip-hop stars--whose contributions often come in the face of bigotry, misogyny, and stereotypes. Blay celebrates the strength and

fortitude of these Black women, while also examining the many stereotypes and rigid identities that have clung to them. In writing that is both luminous and sharp, expansive and intimate, Blay seeks a path forward to a culture and society in which Black women and their art are appreciated and celebrated.

Young, Female and Black - Heidi Safia Mirza 2005-07-12

Young black women bear all the hallmarks of a fundamentally unequal society. They do well at school, contribute to society, are good efficient workers yet, as a group they consistently fail to secure the economic status and occupational prestige they deserve. This book presents a serious challenge to the widely held myth that young black women consistently underachieve both at school and in the labour market. In a comparative study of research and writing from America, Britain and the Caribbean *Young, Female and Black* re-examines our present understanding of what is meant by educational

underachievement, the black family and, in particular, black womanhood in Britain.

Eloquent Rage - Brittney Cooper 2018-02-20
An Emma Watson "Our Shared Shelf" Selection for November/December 2018 • NAMED A BEST BOOK OF 2018 BY: The New York Public Library • Mashable • The Atlantic • Bustle • The Root • NPR • Fast Company ("10 Best Books for Battling Your Sexist Workplace") Rebecca Solnit, The New Republic: "Funny, wrenching, pithy, and pointed." Roxane Gay: "I encourage you to check out Eloquent Rage out now." Joy Reid, Cosmopolitan: "A dissertation on black women's pain and possibility." America Ferrera: "Razor sharp and hilarious. There is so much about her analysis that I relate to and grapple with on a daily basis as a Latina feminist." Damon Young: "Like watching the world's best Baptist preacher but with sermons about intersectionality and Beyoncé instead of Ecclesiastes." Melissa Harris Perry: "I was waiting for an author who wouldn't forget, ignore, or erase us black girls...I was waiting and she has come in Brittney Cooper."

Michael Eric Dyson: "Cooper may be the boldest young feminist writing today...and she will make you laugh out loud." So what if it's true that Black women are mad as hell? They have the right to be. In the Black feminist tradition of Audre Lorde, Brittney Cooper reminds us that anger is a powerful source of energy that can give us the strength to keep on fighting. Far too often, Black women's anger has been caricatured into an ugly and destructive force that threatens the civility and social fabric of American democracy. But Cooper shows us that there is more to the story than that. Black women's eloquent rage is what makes Serena Williams such a powerful tennis player. It's what makes Beyoncé's girl power anthems resonate so hard. It's what makes Michelle Obama an icon. Eloquent rage keeps us all honest and accountable. It reminds women that they don't have to settle for less. When Cooper learned of her grandmother's eloquent rage about love, sex, and marriage in an epic and hilarious front-

porch confrontation, her life was changed. And it took another intervention, this time staged by one of her homegirls, to turn Brittney into the fierce feminist she is today. In Brittney Cooper's world, neither mean girls nor fuckboys ever win. But homegirls emerge as heroes. This book argues that ultimately feminism, friendship, and faith in one's own superpowers are all we really need to turn things right side up again. "B" is for Burglar - Sue Grafton 2005-01-01

"My name is Kinsey Millhone and I'm a private detective. I'm thirty-two years old, and I live and work in Santa Terersa, in Southern California. A few days ago, I got shot - but I must tell the story from the beginning. On a fine morning early in June, I was in my office on State Street. It was just before nine o'clock. There was a knock at the door and a woman came in. She was in her late thirties. She was small, with shiny black hair and bright blue eyes. She was well dressed. "I'm Beverley Danziger," the woman said. "I'm hoping

that you can find my sister for me." -- Cover.

Black Magic Woman and Narrative Film -

British Experimental Women's Fiction,

1945—1975 - Andrew Radford 2021-08-23

This book scrutinizes a range of relatively overlooked post-WWII British women writers who sought to demonstrate that narrative prose fiction offered rich possibilities for aesthetic innovation. What unites all the primary authors in this volume is a commitment to challenging the tenets of British mimetic realism as a literary and historical phenomenon. This collection reassesses how British female novelists operated in relation to transnational vanguard networking

clusters, debates and tendencies, both political and artistic. The chapters collected in this volume enquire, for example, whether there is something fundamentally different (or politically dissident) about female experimental procedures and perspectives. This book also investigates the processes of canon formation, asking why, in one way or another, these authors have been sidelined or misconstrued by recent scholarship. Ultimately, it seeks to refine a new research archive on mid-century British fiction by female novelists at least as diverse as recent and longer established work in the domain of modernist studies.
